He was employed by Mr. Paddock for for several years about 15 years ago and had many friends in that neighborhood who were glad to see him again. He is now working in Chicago at the photo engraver's trade.

Forgiveness is Freedom.

There's never much truth in the saying "her fast is her fortune," but its never said where pimples, skin eruption, blotches, or other blemishes disfigure it. Hundreds have shaken off them all, and show the mend of Dr. King's New Life Pills. They promote health and beauty. Try them. 25 cents at Barrington Pharmacy.

Congressman Foss, while in this village a week ago making a political speech, promised to use his best efforts to secure for us a mail at 11 o'clock a. m. during the winter months which is the service we had two years ago. Lake Zurich would certainly appreciate such a mail service as 11 o'clock is surely late enough for the mail and morning papers to arrive in any village so near a large city. Last winter the mail did not arrive until two o'clock in the afternoon.

"Maud" has been hauling material for the new road north of this village the past week. She was taken from Palatine to Barrington and down the E. J. & E. track to this place where she was switched onto her own road again. The piles for the viaduct over the "J" track are all ready and two pile drivers will be started at work in a few days. The railroad seems to be doing a big business with its passenger service on Sundays and a regular daily service was inaugurated yesterday. It will certainly be appreciated.

Andrew Russel is a banker at Jacksonville, and bankers all over the state will vote for him, because of his splendid record when he served the state as treasurer a few years ago, and saved the state several million dollars. He is a clean intelligent and upright man of the very highest character. He is the Republican candidate for state treasurer. Be sure and place an X in front of his name.—Adv.

**To the Voters of the Country Towns of Cook County.**

The Committee of 100 is taking no part whatever in the national campaign. It offers no recommendations as to the candidates for President. It is supporting, with loyalty and enthusiasm, the men endorsed by it in the April Primary, namely, Governor Deneen and the Cook County Republican Ticket.

The Local Home Government is a bigger issue with the voters of the country towns of Cook County than any other proposition in this campaign.

The Committee of 100 indorsed and supported in the primaries last April the Republican candidates selected in that primary for members of the county board. More than ever, the Committee is now convinced that the 6 men should be elected on November 5th.

There are no two ways about it. The Bartzen crowd should be turned out in the interest of sane and common-sense government.

The voters of the country towns may differ sincerely as to the candidates for President of the United States, but there ought to be very little difference of opinion as to the county situation.

The Republican candidates for County Commissioners, headed by Alexander A. McCormick for president of the County Board, were named by the people in a direct primary. They are capable; they are experienced; they have good sense and they should be elected.

Every Republican voter of the country towns of Cook county should support these men on November 5th, as should also every independent voter and the independent democrats as well.

The Commissioners so recommended by this Committee are as follows:

For President of the County Board,
ALEXANDER A. McCORMICK
For County Commissioners:
WILLIAM BURE
JAMES A. NORLE
ALFRED VAN STENBERG
JOSEPH CAROLAN
WILLIAM C. HARTRAY.

Respectfully,
THE COMMITTEE OF ONE HUNDRED.
By Executive Committee,
ABEL DAVIS, Acting Chairman.

**William Meyerth.**

In loving remembrance of our dearly beloved uncle who passed away one year ago today, October 26, 1911.

Worthy of respect are you
Fyven those you left behind.
A better uncle there could not be
Or one more true and kind.
Silently the shadow of evening
Hover o'er the cottage door,
But the footsteps that we long for
Sound in his home no more.
All is lonely without you uncle,
Lonely are our hearts each day.
For our uncle who loved us dearly
Has forever passed away.

His loving nieces,
ETTIE ANDERSON
MINNIE JOHNSTON
LILLIE HUMBAUGH

**Saved By His Wife.**

She's a wise woman who knows just what to do when her husband's life is in danger, but Mrs. R. J. Flint, Braintree, Vt., is of that kind." She insisted on my using Dr. King's New Discovery," writes Mr. F. "for a dreadful cough, when I was so weak my friends all thought I had only a short time to live, and it completely cured me." A quick cure for cough and cold, it's the most safe and reliable medicine for many throat and lung troubles—grip, bronchitis, croup, whooping cough quinsy, tonsilitis, hemorrhages. A trial will convince you. 50c and $100. Guaranteed by Barrington Pharmacy.

Andrew Russel served one term as state treasurer and turned in nearly $2,000,000 net profit, and by adopting Mr. Russel's advice, the present treasurer will be able to show a larger profit. He is the Republican candidate for state treasurer. He has proven his faithfulness and ability so he ought to be elected. Place an X in front of his name on the ballot November 5.—Adv.
