

March, 1944 Ed's letter to his mom

South West Pacific  
9 March 1944

Dear Mom,

Can't write much at the present time  
mom, but mainly I wanted to send your  
money order.

I'm going to also enclose along with the  
money order a letter I sent to the Office of  
Patents. Just in case something should go  
a little wrong, and this idea develops into  
anything, you'd have a little info of the  
situation.

I'll write again in a few days, so  
until then Mom, I'll say bye now.

My love to all,

Your loving son  
Edie
