17 WINNERS GET GRANTS TOTALING $115,000!

Each year in February we invite the local charities and organizations to submit their requests for projects that address an unmet need. We announce the winners after a careful process that involves a member of the grant review committee meeting with the organization to go over the request, test it against the need and then array it against the other requests we receive.

The process begins the previous October, when we invite the local charities and other organizations to a breakfast to explain the process for the coming year, go over the details of applying and then ask the groups to help us understand what they are facing now and what they foresee as needs in the future.

Grants are made on the basis of 5% of the net assets of the Foundation averaged over the trailing 12 quarters. This year, that formula produced grants of $101,000. To that was added $14,000 returned from charities that either did not use all their grant money or did not complete planned projects. We salute them for their integrity.

We also invite representatives of the Barrington Area United Way and the District #220 Educational Foundation to be present for purposes of cooperation.

The complete list of winners is on the inside page together with a graph showing the grant totals since 2000.

PRESIDENT’S COLUMN

It was in September, 1998, that the first seven directors announced the formation of the Barrington Area Community Foundation. It was a completely new concept in Barrington. So we asked the directors of two other community foundations and the directors of two local charities to talk about the idea of an endowment that would address unmet needs in Barrington. It would be a way to give something back to the community. It would also be a source of seed money for the many local charities.

We soon found we needed to explain ourselves. We said “whatever money you give us, we will never spend—only the proceeds based on 5% of our net assets averaged over the trailing 12 quarters.”

What has seemed to be most appealing is that we would hold expenses to 1% of assets.

We closed that first year with $36,000 in the bank. Today we have $2.5 million. It was two years before we hit $100,000 and then made grants of $5,000. In this issue you will read of grants of $115,000. Some 37 organizations have benefitted from your generosity for a total of $375,990.

So read on, and join us for the next decade. You will see all the names we honor for their support. Thank you.

TWO NEW DIRECTORS JOIN BOARD

Thomas Herb and Jack Keenan are joining the Board of the Community Foundation. They are replacing Shawn McKenzie, of AT&T, who was transferred to San Antonio, and Luis Padilla, former President of Sears, whose consulting assignments have required him to travel extensively.

Herb is President of Barrington Venture, Inc., owner and developer of the Garlands. He is a resident of Barrington Hills. Keenan is a principal with Staubach Company, a major US commercial real estate company. He is a resident of the Fox Point area of Barrington. They were elected to the Board at its meeting June 9.

SEVEN NEW NAMES IN 2008 GRANT AWARD LIST

The mission of the Foundation is to address unmet needs in the community. That frequently means there are new names in the grant list, new organizations with a mission that seeks to meet a new need. This year, seven groups are new to the award list: Concours d' Elegance, Clearbrook Center, Ecker Center, Flint Creek Wildlife Restoration, Samaritan Counseling Center, Vehe Farm Foundation and Walk on Equine Assisted Activities.
SUN SHINES ON SIXTH ANNUAL GOLF OUTING

The sixth annual golf outing at Biltmore Country Club on June 2 was completed by 96 golfers under sunny skies with mild breezes. Last year, rain washed out the play at Wynstone Golf Club.

Skip Gianopulos, golf committee chair, announced the winners of the events:

Putting Contest – Jason Winter
Closest to the pin (women) – Dee Dee Wamburg
Closest to the pin (men) – Tony LaFrenere
Longest drive (women) – Gillian Stoettner
Longest drive (men) – Greg Crowther

Third place team
  Mike McCombie

  Bob Bruno

Second place team
  Gillian Stoettner
  Bob Stoettner
  Andy Gabelman

First place team

Speaking at the golf outing dinner and representing the 17 grant winners of 2008 was Reverend Mary Tudela, of the Samaritan Counseling Center. She spoke of the advances the new center would bring in mental health and faith-oriented counseling. The new Center has been endorsed by the Barrington Area Ministerial Association.

David Nelson was auctioneer for the evening and helped an enthusiastic audience raise more than $33,000. This amount and the proceeds from the golf outing are the major fundraising effort of the Foundation each year and support the grants announced elsewhere in this newsletter.
