Bi-Centennial

Keep arrangements fresh and small for library and historical society, and traditional for the historical society. The historical building has been designated a State of Illinois landmark. There is a new director for the society, and it will be open daily, for tours.

Citizens for Conservation: R.R. 1, Box 277, Barrington, Ill.
Seventy tons of glass, and 404 tons of papers have been collected. There is also a special bin for recycling aluminum (beer cans), tin foil, and tin foil containers.

The Treasurer reported a balance of \$184.81 in the checking account, and \$631.00 in the savings account.

Sam reported that clean up week will be the week of May 16. The businesses are all cooperating. Klehms suggested the planters, which will be planted after delivery, be planted with red impatiens; red, white, and blue petunias; and red geraniums.

There will be a news letter to the chamber of commerce, the library, the village and the newspapers recommending plants for shade, sun, etc.

Browning-Ferris will be contacted to help in cleanup.

Claudia Mandabach is Chairman of Chicago Flower Show (Garden Club of Ill.). The courier would like news items concerning the show. Two buses are filled, 94 seats, and will leave from Carl street on March 22, and 23 at 9:15 a.m. and return at 3:30.

Arbor Day--Sam

Garden Club of Illinois will receive additional trees this year so we will receive 500 trees and may not have to buy any. The money from the Garden clubs will go into a special fund for other expenses for Arbor Day. Lake-cook supply will give us landscape prices for spagnum and peat moss. Arbor Day is April 30 and bagging day April 28.

The historical society will send a letter to Volunteers for hostessing. There are two training sessions in April, one evening and one day.. Kay, Mary, and Maxine will be chairman for the hostessing.

A letter was read by Jean Ost at the Village Board meeting on February 9, 1976 recommending a forester be included in the new budget. It looks favorable, but a decision will be made at an April meeting. We have received many applications from foresters for this position.

A new succession of officers for the next ten years will be set up.

1979-1980

Pres. Field and Flower

Sec. Green Thumb.

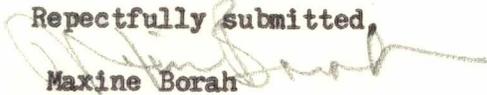

Treas. Little Garden Club.

Garden Club of Barrington gave \$100 for two students to attend "Trees for Tomorrow", Cook County.

A motion was made and passed that we provide a one year chairman for Arbor Day with an assistant from another club, who will be the chairman the following year, thereby providing a chairman using a rotation of clubs.

Hazel Jackson suggested that we appoint a historian in 1976.
The next meeting will be May 11.

Respectfully submitted,

Maxine Borah
