DRIFTING SUBMARINE MINES A MENACE TO WORLD'S SHIPPING

Some years ago a writer on international law and the rules of war said the shallow of Korea and China would be planted thick with infernal mines. It is possible to go too far in this direction.

Colorado) her native state. Mrs. Decker, whose home is at Deaver, is an avowed devotee of equal suffrage. The women who are antagonistic to the late convention of that city...

Neither insurance nor Japanese can be taken to give to the use of mines, but several nations have a right to demand and should consider the right to plant submarine mines in any such way as will not make it possible for the continuance and after the close of the hostilities shall not allow ships of trade sailing under neutral colors to be sunk.
