one Man Who Likes It Well Enough, but Prefers Roast Beef.

"Where I stayed in the Addrondacks this season," said a returned summer boarder, "we had, after the deer season opened, venison twice a day. I ate it just once, and then I cut it out. "It was good venison, and, nicely cooked and nicely served, but as a matter of heasest fact I'm not much stuck on venison; it doesn't seem to be to have much taste sayen, from a deer that a man had shot himself night taste very good to him—very good. In eating it he would have the pride of the hunter in being able to provide for himself, and after the hard work and exposure of hunting he would have the appetite of forty-aven mules. Venison colond at a campfire under such circumstances would have ven good. But on a house of the season of

Many women are denied the happiness of children through derangement of the generative organs. Mrs. Beyer advises women to use Lydia E. Pinkham's Vegetable Compound.

" "DRAM MRS. PINKRAM: — I suffered with atomach complains for years. I got so bad that I could not early my children but five months, then would have a miscarriage. The last time I became pregnant, my husband got me to take Lydia E. Pinkham's Vegetable Compound. After taking the first bottle I was relieved of the sickness of stomach, and began to feel better in every way. I continued its use and was enabled to carry up baby to maturity. I now have a nice baby girl, and can work better than I ever could before. I am like a new woman." — Mrs. Frank Bayes, 22 S. Second St., Meriden, Conn.

Another case which proves that no other medicine in the world accomplishes the same results as Lydia E. Pinkham's Vegetable Compound.
