Two severe cases of Ovarian Trouble and two terrible operations avoided. Mrs. Emmons and Mrs. Coleman each tell how they were saved by the use of Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—I am so pleased with the results obtained from Lydia E. Pinkham's Vegetable Compound that I feel it a duty and a privilege to write you about it.

"I suffered for more than five years with ovarian troubles, causing an unpleasant discharge, a great weakness, and at times a faintness would come over me which was so annoying that I could not do anything for several hours. Your Vegetable Compound found the weak spot, all my troubles had disappeared, and I gained in flesh, enjoying an ideal health. I was married and a happy wife for four years, but was childless. Now, however, within a few weeks I am to become a mother, and well. Words fail to describe the real true, grateful feeling that is daily with me(letters you know nothing about, but take before). Have a different woman in a short time."—Mrs. LAURA EMMONS, Walhalla, Oh.

Another Case of Ovarian Trouble Cured Without an Operation.

"DEAR MRS. PINKHAM:—For several years I was troubled with ovarian trouble and a painful and inflamed condition, which kept me in bed a part of the time. I did so dread a surgical operation.

"I tried different remedies, but could not get relief, but was induced to bring relief until a friend who had been cured of ovarian trouble by the use of your compound, induced me to try it. I took it faithfully for three months and at the end of that time was glad to find that I was a well woman. That was two years ago, and I am well and can have it restored through Lydia E. Pinkham's Vegetable Compound. I feel that all suffering women should try it."—MRS. ANNA COLEMAN, 1004 Commercial Hotel, Nashville, Tenn.

It is well to remember such letters as above when some druggist tries to get you to accept something which he says is "just as good" as Lydia E. Pinkham's Vegetable Compound, for what other medicine has such a record of cures as Lydia E. Pinkham's Vegetable Compound? No other can lay claim to so many genuine testimonials.

Don't hesitate to write to Mrs. Pinkham if there is anything about your sickness you do not understand. She is a woman and will advise you free, and her advice has brought health to thousands. Address Lynn, Mass.
