Miss Nettie Blackmore, Minneapolis, tells how any young woman may be permanently cured of monthly pains by taking Lydia E. Pinkham's Vegetable Compound.

Lydia E. Pinkham's Vegetable Compound. I had frequent headaches of a severe nature, dark spots before my eyes, and my menstrual periods I suffered with. A number of the ladies advised me to try Lydia E. I soon had the best news in the world—my monthly pains were gone, and my health improved, and finally I felt very well without pain at my menstrual periods.
