

**THE WELD THAT HELD**

Science has developed something infinitely better than the old-style wrap or clamp.

**"PITTSBURGH PERFECT" FENCES ARE WELDED BY ELECTRICITY.**

This is the modern method of construction. Years of life are added through the elimination of serious fence defects.

A WRAP holds moisture, cracks the galvanizing and allows the water to attack the bare wire. A small amount of moisture galvanizing on "PITTSBURGH PERFECT" REINFORCES THE PROTECTION AGAINST RUST AT THE ELECTRICALLY WELDED JOINT; examines the joint.

STAYS CANNOT SLIP. They are always just where they were put. Stay and strand wires become one piece when the weld is made. The fence is like a solid sheet of perforated steel.

**Every Rod Is Guaranteed Perfect.**

Don't allow your prejudice in favor of the rapidly declining and now antiquated methods you have heretofore known, to warp your good judgment.

"PITTSBURGH PERFECT" FENCES REPRESENT PROGRESS, because hundreds of thousands of dollars worth of standard material is daily welded by electricity.

The hoop on the average sugar barrel in the isolated country grocery store is an electrically welded product.

If your wagon was made in a large factory, its tires were welded by electricity.

You will find electrically welded hoops on ice cream freezers and washing machines, on many tubs and buckets. Examine them.

"PITTSBURGH PERFECT" fences are made by this modern, simple and marvelous process, producing "THE WELD THAT HELD."

MR. FARMER; LISTEN, NOW. Every agent handling "PITTSBURGH PERFECT" fences is authorized to guarantee this:

That the wires are not injured at the joints.  
That the fence is perfectly adjustable to uneven ground.  
That the fence will not rust in any particular.  
That the fence is all right in every particular.

Could you ask any more definite protection? Your complete satisfaction is absolutely assured.

OBITUARY.

Henry W. Fischer was born in Germany, June 27, 1825. He came to America and settled in Palatine in the early seventies, where he conducted a harness shop for over 25 years. He married Mrs. Paul in 1874. Six years ago he suffered a stroke of paralysis and lost his voice, and for the past four years was unable to walk. His wife has proven a true and patient helpmate in doing her utmost to make his last few years most pleasant. Mr. Fischer was stricken with bronchitis Easter and died Monday. The funeral was held Thursday afternoon. Rev. Drogemueler officiating.
