The Aid Department of the Illinois Children's Home and Aid Society, with headquarters at 79 Dearborn St., Chicago, will be glad to hear from families in town or country who are willing to receive young Chicago school children (mostly boys) into their homes during vacation, as guests or helpers. As these are the children of poor mothers who have to work away from home to support them, they need such temporary home advantages as now urgently sought by the Society. Many of the boys are old enough to be of some assistance on the farm; the girls in the household. For some a small amount, perhaps \$5.00 per month can be paid by the parents. The offer of such home privileges during vacation is a direct and practical charity to the children involved, and it is suggested that families respond to this notice specify the age and sex of the child preferred, and whether some pay is required. Please write promptly to the Superintendent of the Aid Department, at above address.
