## DISASTROUS FIRE

Wauconda Visited by Fire Saturday Causing a \$15,000 Loss and Barrington Has Small Blaze Today.

A fire this afternoon destroyed the barn in the rear of Geo. Nightengale's residence. The origin of the fire has not yet been definitely determined.

Mrs. Wool, a neighbor, discovered the blaze, and several small boys ran down the street and gave the alarm. A good water works system, and good work on the part of the boys composing the fire department kept the fire confined to the barn and saved the residence nearby.

A most disastrous fire destroyed the Wauconda flour and feed mill Saturday afternoon, entailing a loss of about \$15,000. The mill was owned and operated by John Spencer, and no insurance was carried.

A number of other houses caught fire, but by heroic work performed by a volunteer bucket brigade, who assisted the fire department materially much valuable property was saved.

Although Mr. Spencer's pecuniary loss is heavy the citizens of Wauconda are rallying to his aid nobly and within a short time a new mill will be erected on the site of the old one.

### Who Got the Tickets?

Charles Jahnke, the liverman, lost three railroad tickets and other valuable papers which were in a wallet which he had thrown on the ground for a few seconds while attempting to stop a farmer's runaway team Tuesday morning in front of his residence. After a few seconds he stooped to pick it up but someone had done so for him, and up to the present time he has failed to notify Mr. Jahnke of his find. A liberal reward will be paid for information leading to the recovery of the wallet.

If you enjoy dancing and want a good time attend the dance at Bicknase's New Pavilion on the shores of Lake Zurich, Saturday evening, July 14. Music by the Joliet Famous Orchestra.

### To the Republicans of the Eighth Senatorial District.

I hereby announce myself as a candidate for re-election to the General Assembly, subject to the action of the Senatorial Convention of this District. Inasmuch as it was the intention of the Legislature that each voter should vote for one candidate for Representative, so that in Districts like the Eighth, each County should have a member in the General Assembly, Lake County at present having the Senator.

I therefore ask the votes of the Republicans of Lake and Boone Counties as the primaries to be held August 4, 1906, and request that those who wish to vote for me mark a cross in the square opposite my name on the official ballot.

Respectfully,  
Frank R. Covey.  
Belvedere, Ill.
