RUNNING FOR JUDGE

Something About E. J. Heydecker,
Candidate for County Judge.

Edward J. Heydecker, republican candidate for County Judge, was born on a farm in the Town of Newport, on the 30th day of August, 1855, where he grew to manhood and resided until the autumn of 1888. He attended the rural district school of that Town and afterwards the Wakefield High School. After leaving the farm he pursued the study of law, and was admitted to practice by the Supreme Court of this State about fifteen years ago, and is now one of the leading attorneys at the Lake County bar.
Mr. Heydecker has always been an ardent supporter of the republican party, having cast his first vote for

Rutherford B. Hayes, as president in 1876, and has ever since affiliated himself with and supported the regular republican nominees, both by his labor and influence.
Mr. Heydecker was the first to announce himself as a candidate for the office of County Judge in this campaign and has been making a very clean and aggressive fight for the nomination.
His friends feel that they have in him an able, efficient and honest candidate, who deserves the warm support of every loyal citizen of Lake County.

An Engineer.**

An I. H. C. Gasoline Engine
does not require an engineer to run it. It is so simple and practical in construction that it requires very little attention and is easily operated by anyone.
An I. H. C. Gasoline Engine
