PRAISES PE-RU-NA.**

A Cold at any Time of the Year, Especially in Hot Weather, is Very Distressing to the System. Pe-Ru-NA is an Unequaled Tonic For Such Cases. Read What People Say About It.

Hon. W. H. Kelbaugh, Ex-Member W. Va. Legislature, 204 9th street, N. E., Washington, D. C., writes:

"You can use my name and word at all times for Pe-Ru-NA as a medicine and tonic unequalled. I have tried it for a stubborn cold and my run down system. I tried all sorts of other medicines and could not get any relief. Pe-Ru-NA cured me, strengthened me more than ever, and saved me money."

Mrs. Clara Litterer, Seaford, Ind. says: "Last fall I took a severe cold. I took Pe-Ru-NA to improve and kept on so until I was able to do my work."

M. Combariere, the French explorer, recently was lost in the forests of Cambodia. He got separated from his party and wandered through the solitude for eight days without any other nourishment than the water he could get from the marshes in the jungle.

BIBLICAL BASEBALL.

A Canton (O.) theological student interested in baseball wrote a thesis on "Baseball Among the Ancients," from which are gleaned the following facts: Abraham made a sacrifice. The Prodigal Son made a home run. Cain made a base hit when he killed Abel. David was a great long-distance thrower. Moses shut out the Egyptians at the Red sea. Moses made his first run when he slew the Egyptian. The devil was the first catcher. Eve stole first—Adam stole second. Who lunge met Rebecca at the well she was walking with a pitcher. Samson struck out a great many times when he beat the Philistines.

"NO TROUBLE"

To Change from Coffee to Postum.
"Postum has done a world of good for me," writes an ill. man.
"I've had indigestion nearly all my life but never dreamed coffee was the cause of my trouble until last Spring I got so bad I was in misery all the time.
"A coffee drinker for 30 years, it irritated my stomach and nerves, yet I was just crazy for it. After drinking it with my meals, I would leave the table, go out and lose my meal and the coffee too. Then I'd be as hungry as a ewe.
"A friend advised me to get coffee and use Postum—said it cured him. Since taking his advice I retain my food and get all the good out of it, and don't have those awful hungry spells."
I changed from coffee to Postum without any trouble whatever, felt better from the first day I drank it. I am well now and give the credit to Postum." Name given by Postum Co., Battle Creek, Mich. Read the little book, "The Road to Wellville," in page. "There's a reason."

INDICTS STANDARD OIL

REBATES IN SHAPE OF STORAGE CHARGES RETURNED.

OTHER CONCERNS PAY UP

Competitors, It is Alleged, Are Taxed for Cars Remaining in Railroad Yards—While Rockefeller Tanks Are Rent Free.

Chicago.—The Standard Oil company was indicted Wednesday afternoon by the federal grand jury for receiving rebates in the form of non-payment of storage charges to railroad companies.

The Lake Shore & Michigan Southern Railroad company was named as having given these rebates.

The true bill was returned to Judge Beetha early in the afternoon session, three hours after the inquiry opened.

It was a surprise, in point of the short time it took the jury to conclude on the guilt of Rockefeller's corporation.

The bill contains 19 counts charging nonpayment of storage charges, procuring thereby unfair and illegal advantage over their competitors in violation of the Elkins law.

No official of the company was named. The bond of the corporation was fixed at \$25,000.

Details of the system by which the Lake Shore & Michigan Southern Railroad company handles the product of the Standard Oil company were laid before the jury by two officials of the railroad and one government attorney.

Both railway men told of arrangements for handling oil by the railroad.

Alleged discrimination is charged in favor of the Standard Oil company over competitors, in paying of storage charges on oil stored in the Eighteenth street yards.

The government contends that when the Standard stores its oil in those yards the railroad company does not exact the payment of storage charges to a certain amount each day the car is allowed to remain there.

The competitors, it is charged, are compelled to pay for the same service, and thus the Standard is given a preference.

Superior (Wia.) Ordinance Puts Saloons Under State Control.

Veal for Potted Chicken.

Columbus, O.—Reports of the analysis of about 50 samples of potted ham, potted chicken, hamburger steak, luncheon sausage and similar preparations sold by meat packers submitted to State Dairy and Food Commissioner Aukney show the presence of preservatives, and in some cases traces of tin and zinc poison. The latter are attributed to the use of a poor quality of containers. One sample labeled "Potted Chicken" was found to be veal.

BOY'S TERRIBLE ECZEMA.

Mouth and Eyes Covered with Crusts—Hands Filled with Miraculous Cure by Cuticura.

"When my little boy was six months old, he had eczema. The sores extended so quickly over the whole body that we at once called in the doctor. We then went to another doctor, but he could not help him, and in our despair we went to a third one. Matters became so bad that he had regular holes in his cheeks, large enough to put a finger into. The food had to be given with a spoon, for his mouth was covered with crusts as thick as a finger, and whenever he opened the mouth they began to bleed and suppurate, as did also his eyes. Hands, arms, chest and back, in short the whole body was covered over and over. We had no rest by day or night. Whenever he was laid in his bed, we had to pin his hands down; otherwise he would scratch his face and make an open sore. I think his face must have itched most fearfully.

"We finally thought nothing could help, and I had made up my mind to send my wife with the child to Europe, hoping that the sea air might cure him, otherwise he was to be put under good medical care there. But, Lord be blessed, matters came different, and we soon saw a miracle. A friend of ours spoke about Cuticura. We made a trial with Cuticura Soap, Ointment and Resolvent, and within ten days or two weeks we noticed a decided improvement. Just as quickly as the sickness had appeared it also began to disappear, and within ten weeks the child was absolutely well, and his skin was smooth and white as never before. F. Hohrath, President of the C. L. Hohrath Company, Manufacturers of SIK Ribbons, 4 to 20 Rink Alley, South Bethlehem, Pa., June 5, 1905."

WHAT JOY THEY BRING TO EVERY HOME

as with joyous hearts and smiling faces they romp and play—when in health—and how conducive to health the games in which they indulge, the outdoor life they enjoy, the cleanly, regular habits they should be taught to form and the wholesome diet of which they should partake. How tenderly their health should be preserved, not by constant medication, but by careful avoidance of every medicine of an injurious or objectionable nature, and if at any time a remedial agent is required, to assist nature, only those of known excellence should be used; remedies which are pure and wholesome and truly beneficial in effect, like the pleasant laxative remedy, Syrup of Figs, manufactured by the California Fig Syrup Co. Syrup of Figs has come into general favor in many millions of well informed families, whose estimate of its quality and excellence is based upon personal knowledge and use.

Syrup of Figs has also met with the approval of physicians generally, because they know it is wholesome, simple and gentle in its action. We inform all reputable physicians as to the medicinal principles of Syrup of Figs, obtained by an original method, from certain plants known to them to act most beneficially and presented in an agreeable syrup in which the wholesome Californian blue figs are used to promote the pleasant taste; therefore it is not a secret remedy and hence we are free to refer to all well informed physicians, who do not approve of patent medicines and never favor indiscriminate self-medication.

Please to remember and teach your children also that the genuine Syrup of Figs always has the full name of the Company—California Fig Syrup Co.—plainly printed on the front of every package and that it is for sale in bottles of one size only. If any dealer offers any other than the regular Fifty cent size, or having printed thereon the name of any other company, do not accept it. If you fall to get the genuine you will not get its beneficial effects. Every family should always have a bottle on hand, as it is equally beneficial for the parents and the children, whenever a laxative remedy is required.
