An Engine Without An Engineer.

An I. H. C. Gasoline Engine
does not require an engineer to run it. It is so simple and practical in construction that it requires very little attention and is easily operated by anyone.
An I. H. C. Gasoline Engine
runs smoothly and produces more power than rated. It is very economical in the use of fuel, consuming less per horse power than any other engine of the same rated capacity.
An I. H. C. Gasoline Engine
is a wise investment. It saves time and money, and increases your profit as a result of the increased production. No progressive farmer can afford to be without an I. H. C. engine. These engines are of the very special size.
Made in the following styles and sizes:
Vertical—3, 5 and 8 horse power.
Horizontal—4, 6, 8, 10, 12 and 15 horse power.
Portable—6, 8, 10, 12 and 15 horse power.
Call and examine an I. H. C. gasoline engine and see for yourself the merits of this engine.
We also handle a full line of Deering Mowers and Binders and Weber Wagons, in fact everything the farmer wants on the farm. Call and examine our stock and be convinced that we are up-to-date implement dealers.

V. V. and T. T. PHELPS.

The burning of the entire wheat crop of Washington this year as a means of exterminating the Hessian fly, which has made its appearance, is recommended by Entomologist Melander of the state agricultural college, who says it would be better to lose one crop than to see the insect gain a footing in the state and destroy a large percentage of all succeeding crops.

A harvest picnic will be given by Wm. Bicknese at his new Lake Zurich picnic grounds and pavilion, located on the shores of beautiful Lake Zurich, on Sunday, Aug. 19. Dancing will be the order both afternoon and evening, the famous Joliet orchestra furnishing the music. For the picnic the Palestine military band has also been engaged, and a good day's outing will be the lot of all who attend. Spend the day at Lake Zurich.

The baseball game between the Grassy Lakes and the "Wonderful" West Side Turner team, at Fred Kline's "baseball grounds," ended in favor of Grassy Lake by a score of 16 to 2. Although they were three regular men short they played errorless ball behind the batery work of George Kline and Chas. Miller, regular first baseman. Kline was in good trim, having the Turner's pushing wind all through the game. He succeeded in striking out two men in the seven innings. Chas. Miller was behind the bat for the first time this season and did well, as did all the boys. On August 12 they will probably play Wauconda Married Men, at Lake Zurich. It promises to be a good game, each team having won one game by a narrow margin.

SOLD OUT.

Matt Hurter, the Popular Tailor, Owing to Weak Eyes, Forced to Quit Business.

On Tuesday of this week Matt Hurter, the tailor, sold his business establishment to Matt Preckle of Chicago. Mr. Hurter has been engaged in business in Barrington for the past seven years, but owing to weak eyes has been compelled to sell his business. He has not yet decided what enterprise he will engage in, but desired THE REVIEW to thank his many patrons for the many courtesies extended him, and he bespeaks a good patronage for his successor, as he is a good workman.

HAD A GOOD TIME.

W. R. C. Ladies Are Not Dismayed by Inclement Weather.

The W. R. C. Lawn social Wednesday evening was a most enjoyable affair. The lawn of Mrs. Sizer had been tastefully illuminated with the aid of Japanese lanterns and the national colors. The weather, however, suddenly changed, and the rain forced the ladies to vacate the outdoor tables and stands, and, headed by the band, marched to the G. A. R. hall, where ice cream and cake were enjoyed amid general good cheer.

For Sale. Corn and oats. Corn, 50 cents a bushel; oats, 35 cents a bushel for the best quality.
