ARTHUR C. HEISE.

The Thursday club were delightfully entertained at the home of Mrs. F. A. Hawley Thursday. The subject under discussion was Whittier's "Snow-bound," led by Mrs. Mae Shearer. Mrs. H. K. Brockway read a paper synopsis of the previous week's lesson, while Mrs. Maud Robertson's paper was entitled "Literature in New England." An exquisite luncheon was served, the dining room decorations being yellow chrysanthemums. Next Monday the ladies will visit Irving Park.

"Twenty years ago last Wednesday," said F. L. Waterman to THE REVIEW staff the other day, "we had exactly the same kind of weather—icy walks followed by slush, rain and snow, and the next day, (Thursday) it froze very hard." Mr. Waterman remembers the day so well from the fact that a great misfortune befell him twenty years ago Wednesday, namely the death of his mother.

Ladies of the Woman's club met at Mrs. Fred Stott's Thursday to pack clothing, donated by the club and six friends to be sent to Mrs. H. Falkenstein, who is at the head of the Humboldt avenue settlement house, Armistade ave., Chicago. Many articles, warm and good, filled two barrels and a box. Among the things were 35 winter coats for men, women and children. The club thanks the friends who sent clothing, D. F. Lamey for barrels and Lamey & Co. for drayage. Another collection will be made for Christmas with the addition of canned fruit and any contributions will be placed where much needed by Mrs. Falkenstein, who is a personal friend of some of the club members. The next meeting will be on Dec. 6th at the home of Mrs. Henry Donlea instead of at Mrs. Robt. Purcell's.

F. L. Waterman and son have shipped some of their splendid Buff Wyandotte chickens to Cedar Rapids, Iowa, where they will be exhibited at the show of the Western Poultry Fanciers' Association, which will be held next week. The gentlemen have carried a number of first prizes in years gone by, and we predict their exhibit will come back with the blue ribbon, as there are no finer birds of the Buff Wyandotte breed in existence.
