

WORST CASE OF ECZEMA.

Spread Rapidly Over Body—Limbs and Arms Had to Be Bandaged—Marvelous Cure by Cuticura.

"My son, who is now twenty-two years of age, when he was four months old began to have eczema on his face, spreading quite rapidly until he was nearly covered. We had all the doctors around us, and some from larger places, but no one helped him a particle. The eczema was something terrible, and the doctors said it was the worst case they ever saw. At times his whole body and face were covered, all but his feet. I had to bandage his limbs and arms. A friend leased me to try Cuticura, and I began to use all three of the Cuticura Remedies. He was better in two months, and in six months he was well. Mrs. R. L. Rialty, Piermont, N. H., Oct. 24, 1908."

BANDIT ROBBS TRAIN

HOLDS UP ALTON FLYER, BUT IS CAPTURED.

BOLD CRIME IN MISSOURI

Masked Man Seen by Station Agent Who Notified Police Ahead of Train and He is Taken Unaware.

Kansas City, Mo.—A lone robber, masked and armed, held up passengers on east-bound Chicago & Alton passenger train No. 24, near Glasgow, Mo., after midnight Monday morning. He was arrested before he could leave the train and was taken to Glasgow and placed in jail.

The robbed train is known as the "Early Bird." It left Kansas City at 11 o'clock Sunday night and was at Slater at 12:37 Monday morning. At Slater the robber, wearing a mask over his eyes, boarded the rear car as the train was pulling out. After the train had gained speed, the man, revolver in hand, entered the car and began a systematic robbery of the passengers. Fifteen of them were made to disgorge.

As the train passed through Glasgow, at which point it does not stop, the man was seen at work by the station agent who wired the chief dispatcher of the road. At the next station east of Glasgow, was notified and officers were at the station there to meet the train when it pulled in. No stop is made ordinarily at Armstrong, and the robber, evidently satisfied in the belief that he was secure for this reason, suspected no harm when that point was reached. When the train stopped at Armstrong on orders and the robber, evidently satisfied in the belief that he was secure for this reason, suspected no harm when that point was reached.

He was taken without serious difficulty after instructions from the Kansas City office were taken back to Glasgow and placed in jail there. The robber is five feet and five inches in height, weighs 132 pounds, and wears a cowboy cap. He wore a mask that covered his eyes.

The robbed train was in charge of Conductor Haywood and is one of the fastest on the Chicago & Alton. It runs through St. Louis and Chicago. May Be Robber of Nov. 2. This robbery is an almost exact duplication of that committed on the same line on November 9 when a lone robber, masked, boarded the rear sleeper of the east-bound Chicago, Rock Island & Pacific overland train, which runs on the Alton tracks, and at a point of two revolvers forced the conductor, a negro porter and a brakeman to proceed ahead of him and awaken the passengers while he robbed them. On that occasion the robber passed the women by, and succeeded in which he had 46 cents from three male passengers. This robber escaped and no definite clue was ever obtained of him, except that he was described as young and slight, with a mustache and "the man who did Sunday night's job."

FINED FOR GIVING REBATES. New York Central Railroad Assessed Sum of \$18,000.

New York. — Judge Holt of the United States circuit court, Thursday, fined the New York Central and Hudson River Railroad company \$18,000 for rebating freight charges to the American Sugar Refining company. The fine was the result of an indictment charging the company with rebating in the sum of \$26,000 to the American Sugar Refining company, on which charge the defendant company had been found guilty. There were two counts to the indictments against the New York Central and a fine of \$468,000 already had been imposed on the first count. In passing sentence, Judge Holt denied the contention of counsel that a corporation cannot be fined. He declared that under the provisions of the Elkins act, a corporation is responsible for the acts of its agents.

HONOR HERO OF REVOLUTION

REMAINS OF JAMES WILSON REINTERRED AT PHILADELPHIA.

Body of Great Patriot Placed Beside Wife in Presence of Distinguished Gathering.

Philadelphia. — In the presence of a distinguished company which included a member of President Roosevelt's cabinet, Justices of the United States supreme court, the governor of Pennsylvania and other citizens, the body of James Wilson, one of the great figures in the American revolution, which lay in a North Carolina grave for 108 years, was Thursday placed by the side of that of his wife in the burial ground of historic Christ church. The ceremonies attending the reinterment were simple but impressive and were conducted according to the rights of the Protestant Episcopal church.

The body of the great patriot was disinterred from its grave at Edenton, N. C., Tuesday, and was conveyed to this city on the gunboat Dubouque. Prior to the services at Christ church the remains lay in state in the Declaration room in Independence Hall where thousands of persons filed past to view the body. The body was escorted from Independence Hall to Christ church by a troop of Philadelphia cavalry, and Justices Fuller, Day, Holmes and White, of the United States supreme court, of which tribunal Wilson was one of the first members, acted as honorary pall-bearers. On the way to the church the procession passed the grave of Benjamin Franklin where it halted and stood in silence for a moment.

Following the services for the dead, tributes to the patriot were delivered by Samuel Dickson, chancellor of the law association of Philadelphia, for the bar of Pennsylvania; Gov. Pennypacker, for the people of Pennsylvania; Dean Wm. Draper-Lewis, for the University of Pennsylvania; Judge Alton B. Parker, for the American bar; Andrew Carnegie, as lord rector of St. Andrews University for Scotch-Americans; Wilson having been a native of Scotland; Dr. S. Weir Mitchell, for American literature; Justice White, for the supreme court of the United States; Attorney General Moody for the president, the tribute to the American people, and Attorney General Hamilton L. Carson, of Pennsylvania, who delivered the oration.
