THE HIGH SCHOOL ENTERTAINMENT

Pupils of the Barrington High School Entertain a Large Audience
With an Exceptionally Fine Entertainment on
Friday Evening of Last Week.

Standing room was at a premium at the entertainment given in assembly room of the new school house Friday evening of last week by the pupils of the High School.

Three farces were given, entitled "Dink So," "Too Much of a Good Thing," and "Truth Crushed to Earth," the acts.

Space will not permit us to call creditable attention to each and every character to the extent to which they are entitled, but in "Dink So," Messrs. Page, Gleckle and Froelich made a decided hit.

In "Too Much of a Good Thing" Misses Powers, Landwehr and Riley and Messrs. Collins, Powers and Zobell did so well portray the trials and tribulations of an Irishman just landed in New York that the audience was kept laughing with laughter from beginning to end.

The third play, "Truth Crushed to Earth," proved most novel in more ways than one. Probably the biggest hit, however, was made in the impersonation of "The Witch" by Mrs. Elfrink and "Rosalie" by Lowell Bennett. Even the voices were handled in such a way that the sex was not betrayed. Messrs. Will Gruman, Vern Hawser, Elmer Giese, Charles Boehmer, C. Simmons, George H. Baker, George Froelich, L. Alverstone, Ira Banks, Harry Brandy, Fred Grimm, Arthur Boehmer and Walter Cannon all did exceptionally well.

The scene was laid in Florence, and there were trees which looked real, attendants, etc., etc.

Another feature of the show which deserves special mention was the music furnished by the celebrated Zobell Orchestra, under the direction of Miss Eddy. This band was com-

\$1.50 A YEAR IN ADVANCE.

V. F. C. A. NOTES.

Last Sunday afternoon meeting was by far the best attended one of the year, about 80 men being present.

Mr. Miller, the evangelist, spoke on the subject of "Blackstone," using for his illustration the division of Moses when he chose rather to suffer affliction with the people of God than to enjoy the pleasures of sin for a season. Daniel also was spoken of to demonstrate a particularly desirable species of backbone.

Then in contrast was used the example of King Belshazzar, who chose evil rather than good and suffered its consequence.

These Sunday afternoons meetings are becoming more and more popular. Next Sunday in addition to Mr. Miller, Homer E. Wilson of Glenview, a colored man is expected to be present.

Mr. Wilson was born in slavery, but has raised himself to a high standard of manhood, having at one time been a political office holder prominent among his people. He is at present a business man at Elmhurst, a business man with a message, and all must should make it a point to come out to hear him.

The gymnasium equipment has been installed and is affording a world of enjoyment to the members of the Association.

A vaulting horse, trapeze, sawing rings, parallel bars, and punching bags, each contributes its share.

All persons interested are requested to be present.

The building now occupied by Kohl Bros. will be overhauled and repaired.

The equipment of Mr. Meyer.

The stock will be all new and will be complete in every department.

Persistent rumors to the effect that A. W. Meyer was to start a store at Lake Zurich prompted a Review reporter to call at The Big Store and interview Mr. Meyer. He said:

"Yes, I have decided to open a general merchandise store at Lake Zurich. I have many customers that section, and this store will bring them, besides getting me new trade. I hope I intend to remodel the building now occupied by Kohl Bros. and expect to open the store April 1st."

The Revival Meetings.

Revival meetings at the Salem, Zion and Methodist churches are still in progress and are well attended.

Rev. Koten of Chicago is assisting Rev. Stege at the Zion church, while

Rev. Lucy of Juliet is still at the Salem church, and Evangelist Miller is at the Methodist church.

Newton Beers in Impersonations

I. O. F. Hall was awarded Wed-

nnesday evening when Barrington

Bridge No. 826 presented the gifted classic impersonator, Newton Beers, in his monologue on "David and Jonathan." Mr. Beers is a veteran actor and as an impersonator is infallible. Possessed of a modish countenance and a flexible voice, he easily shifts from character to another. His eloquent part is sympathetic and impressive. The audience was very highly entertained and was well pleased with Mr. Beers' artistic efforts.

VERDICT IS SUSTAINED

George Donnelly Overrules the Motion for a New Trial.

Circuit court convened Thursday at Waukegan at 10 o'clock, with Judge Charles Donnelly on the bench.

It is the Master's adjourned term of court as many supposed, but it is more adjournment of the regular term. It was expected that the adjournment of the term would take place late Thursday afternoon.

The court was occupied by hearing motions and the general routine work of the term.

One of the first things taken up was the motion for a new trial in the case of Mrs. Bertie Kippengagen, her father-in-law, who was sued for alienation of her husband's affection.

It is recalled at the last session of court, the jury gave a verdict for Mr. Kippengagen for \$2,500.

The defense moved for a new trial and a few arguments were made Thursday which Judge Donnelly overruled.
