

C. F. HALL CO.
CASH DEPARTMENT STORE
DUNDEE, ILLINOIS

A Chapter on Stockings

On the 2nd of last April we bought 15,000 pairs of stockings. From time to time each was marked with a size and price and put on a pair of hose. When the hose were sold, of course the ticket went with them. We have now used them all.

This means that between April 2 and September 23 we have sold 15,000 pairs of hose (1 1/2 coverings for 3,000 feet). Roughly figured this is three pairs of stockings for every man, woman and child in Dundee, and about 3,000 pairs over.

Are you convinced that we are "onto our job" in hosiery?

We show sixty kinds of hose, in price from 5c to 40c; cotton, cotton fleeced and wool, black, white, tan and colored.

- Best grade stocking feet 10c
- Infants' all-wool hose, sizes 4-12 to 6, good weight and pure wool 10c
- Infants' fancy all-wool hose, in colors, sizes 4-12 to 6, silk heel and toe 15c
- Misses' and boys' all-wool, grey or black hose, heavy, sizes 7 to 10 15c
- Misses' high grade super finish, scoured yarn wool hose 10c
- Girls' and boys' highest grade, long, all-wool elastic-ribbed hose 25c
- Women's all-wool hose, best make of a leading mill, grey or black, a purchase of 500 dozen, divided into three lots, at 15c, 10c and 10c 25c
- Men's wool hose, both fine and heavy, no shoddy or waste 10c
- Men's fine and Shaker, strictly all-wool hose 15c

600 Dozen Purchase

- Men's fine, extra fine and heavy wool, divided into two lots, at 10c and 15c 25c
- Ladies' finest grade, full length hip hose, best wool 40c
- Men's fancy woven stripe and Rockford hose 5c
- Men's high-grade, white foot and Mao cotton hose, also fast black and fancies 10c
- Boys' heavy-ribbed hose, sizes 6-12 to 10, best on earth at the price 10c
- Girls' fine ribbed hose, same value 10c
- Ladies' heavy-ribbed hose, fast black, absolutely perfect foot 35c
- Ladies' plain top, full fashioned Boston foot, seamless hose 15c
- Specials in ladies' fancy hose, 15c, 10c and 25c

In Conclusion

We sell seventeen kinds of hose in our 5c and 10c Department; forty-three kinds on our main floor. This advertisement shows only the price. You know the sort of hose generally sold for 10c. Let us show you our kind.

All the stockings do not look or wear alike.

Our Motto: Reasonable Prices and Prompt Service

An Engine Without An Engineer.

An I. H. C. Gasoline Engine

does not require an engineer to run it. It is so simple and practical in construction that it requires very little attention and is easily operated by anyone.

An I. H. C. Gasoline Engine

runs smoothly and produces more power than rated. It is very economical in the use of fuel, consuming less per horse power than any other engine of the same rated capacity.

An I. H. C. Gasoline Engine

is a wise investment. It saves time and money, and increases your profit as a result of the increased production. No progressive farmer can afford to be without an I. H. C. engine. There is one to fit your special need.

Made in the following styles and sizes:
Vertical—2, 3 and 5 horse power.
Horizontal—4, 6, 8, 10, 12 and 15 horse power.
Portable—6, 8, 10, 12 and 15 horse power.
Call and examine an I. H. C. gasoline engine and see for yourself the merits of this engine.

We also handle a full line of Deering Mowers and Binders and Weller Wagons, in fact everything the farmer wants on the farm. Call and examine our stock and be convinced that we are up-to-date implement dealers.
