

THE BARRINGTON REVIEW.

VOL. 22, NO. 36.

BARRINGTON, ILLINOIS, FRIDAY, NOV. 9, 1906

HENDEE IS ELECTED BY 132

The Entire Republican Ticket in Cook and Lake Counties, as Well as Entire State Ticket, Win.

The entire Republican ticket was elected Tuesday in the state, Cook and Lake counties by handsome majorities. Little interest was shown in Barrington and Cuba townships, only one half the usual vote being cast: 208 in Barrington and 97 in Cuba. The Prohibitionists showed their strength, casting 45 votes in Barrington and 19 in Cuba.

The contest between A. L. Hendee, Republican nominee for county clerk in Lake county and J. L. Sawyer, independent candidate was an interesting contest, Mr. Hendee winning in the county by 132 votes.

Was Remembered on his 68th Birthday.

Mr. and Mrs. Chas. Schultz were the recipients of a genuine surprise Saturday evening when a large number of their friends invaded their home and helped remind them that that worthy gentleman was 68 years of age. The guests included old and young couples, and a most enjoyable evening was enjoyed by all. Refreshments were served.

Will Speak to Men and Boys.

Rev. Guy Phelps of Oregon, one of the foremost and eloquent orators of the far West, has been secured to address the Y. M. C. A. meeting Sunday afternoon at 2:30 o'clock. All men and boys who attend will be welcomed heartily, and can rest assured of spending a profitable hour.

MANY PRAYER MEETINGS

Great Interest is Shown in the Meetings by Barrington Religious Circles.

Union revival services will be conducted by Rev. Guy Phelps Sunday evening at the Salem church to which everybody is invited. All the members of the choir of the M. E., Baptist, Zion and Salem churches will occupy the platform during revival services. Splendid singing is expected. Fifteen to twenty costume prayer meetings were held by the different churches on last Wednesday evening preparatory to the revival services. At the Union prayer meeting at the Zion church held Thursday evening about seventy persons were present. An unavoidable lathing bee at the newly rebuilt house of Mrs. Bauman, now occupied by J. F. Gieske, cut the attendance somewhat.

Everybody is heartily invited to attend the Union revival services during the coming week.

PLANS FOR SEWER

Barrington Village Dads Take Steps Toward a Suitable Sewer System.

The village board met in regular session Monday evening with all members present. Only routine business was transacted. Mr. Ewing, civil engineer for this village, submitted a pencil sketch of the proposed sewer system. The foot of Liberty street is found to be the lowest spot in the village and best suited for the location of a septic tank. The Elgin Joliet & Eastern Ry. own a lot at this point which they have agreed to lease for five dollars per annum. It is probable that the board will lease this ground. It is hoped that an agreement can be reached with the Chicago & Northwestern Ry. to cross under their right away at the foot of Garfield street, near the Bowman Dairy Co's plant.

Notice.

Those wishing to see Miss Emmert the optician about their eyes will find her at the office of Dr. Richardson, Thursday, November 15.

Good News from Rev. Tuttle. The following letter was received by Mayor M. T. Lamey from Rev. Tuttle, which explains itself, and will be gratifying news to his many friends here:

Kington, Ill., Nov. 5, 1906—I received lately my "Phil" from you, for which I return thanks. Keep the "Review" coming—but send her to my new home, at Kington, Ill.

We have a very comfortable home, furnace heat; a sociable and fraternal people; plenty to eat and drink and wear, with plenty of work to do—and what more could a fellow ask for, anyway?

All well, and sending kind regards to all inquiring friends. I remain, Socially yours, W. H. TUTTLE.

IS FOUNDRY SOLD?

Indications Point to a Renewal of Industrial Activity at the Highlands.

Two gentlemen, representing themselves as being connected with one of the leading foundry concerns in the United States, were in Barrington today (Friday) and spent the day at the Chicago Highlands plant. They gave it out that their firm had purchased the foundry building, and that they were here for the purpose of preparing plans for installing the machinery with a view of an early resumption of industrial activity. We hope this is true, but there have been so many rumors of this kind in the past that our citizens have become somewhat skeptical. One thing is sure, however, there is too much money invested in the building for its owners to allow it to remain idle forever.

POPULAR YOUNG PEOPLE WED

About 300 Guests Attend the Voss-Zoellick Nuptials at Palatine.— Other News Items From Palatine.

Wednesday afternoon, at three o'clock, occurred the marriage of Miss Alma Voss of Palatine and William Zoellick of Des Plaines. The bride is the oldest daughter of Wm. Voss, and has always resided in town. The groom is the youngest son of Joe Zoellick of Des Plaines. They were married in St. Paul's Lutheran church, Rev. J. C. Hoffmeister officiating the double ring ceremony being used. The couple was attended by six bridesmaids and groomsmen—Sally Voss, sister of the bride; Mary Bauning, and Bertha Lemke, cousins of the bride of Des Plaines; Hilda Dickman of Nunda, Louise Zoellick, niece of the groom, of Des Plaines; and Mary Luerson. The groomsmen were George Voss, brother of the bride; Henry Schultz; Arthur Zoellick, nephew of the groom, Des Plaines; George Carroll of Chicago; Fred Holland of Lake Zurich and Henry Porop of Hebron.

The bride was attired in white voile over silk and carried white roses. The bridesmaids were all attired in white. After the ceremony the guests repaired to the Woodmen Hall where an elaborate and sumptuous repast was served, after which dancing was indulged in until the early hours. During the evening the bride's slipper was stolen by Carl Lemke and afterward auctioned off to W. Luerson.

The bride is very popular among her friends in Palatine and the groom is very popular at his home town, Des Plaines. He is a valued employe at the Northwestern Freight house, Chicago.

Many gifts of value were received, including cut glass, silverware, furniture, pictures and other articles.

They will be at home to their friends after Dec. 1st, in the Mundhenk flat. About three hundred people were in attendance, including a large number from out of town from Des Plaines, Chicago, Park Ridge, Hebron, Bensenville, Nunda and Ixonia, Wis.

Chas. Meier was badly hurt while trying to cross the railroad tracks at stock yard crossing last Saturday morning. He was watching a freight train upon one track and failed to notice an approaching passenger on the other track until too late. He
