A Year of Blood.

The year 1903 will be remembered in the house of F. N. Tackett, of Alliance, Ky., as a year of blood; which blood so copiously from Dr. Tackett's lungs that death seemed very near. He writes: "Severe bleeding from the lungs and a frightful cough had brought me at death's door, when I began taking Dr. King's New Life Pills. The result after taking four bottles I was completely restored and I thus have proven permanently cured."

Although the death of Mrs. Jefferson Davis in New York city attracted the attention of the entire country, no one in the south or elsewhere seems to have thought it noteworthy that she had become a resident of New York.
