EPITOME OF A WEEK'S NEWS

Most Important Happenings Told in Brief.

Washington

Disclosures of neglect and disloyalty of the Chipewee Indians in Minnesota will be laid before congress as the result of an investigation conducted by Representative Graham of Illinois.

Senator Cummins introduced a bill in the senate to strengthen greatly the government's anti-trust powers.

Senator Reed of Missouri introduced a resolution in the senate providing for an investigation of the election of Senator De Punt of Delaware.

President Taft has directed Attorney General Wickersham to investigate conditions surrounding the strike of the textile workers at Lawrence, Mass.

Whippers may be initiated under the interstate commerce law for accepting alleged concessions from rates fixed with the interstate commerce commission, although these rates have not been posted in railroad stations, according to a Supreme court decision at Washington.

United States troops will be sent into Mexico to stop the work of the lives of American citizens in the border towns are in any jeopardized.

Dear Underwood, Democratic floor leader in the house, has announced himself a candidate for the Democratic nomination for president.

The United States Senate will be asked to investigate the legality of the election of Senator De Punt of Delaware.

No numerous and insistent are the demands upon the navy department for relief of the battleship Maine that it has been found necessary to send for another ship in addition to the collection brought to Washington recently.

President Taft has decided to answer the Columbus speech of Colonel Roosevelt on the coming trip.

President Taft in a message to congress opposes the recommendation of the postmaster general for government ownership of the telegraph.

Domestic

A prediction that the next century will be nearly all of the 1,000,000 souls of the whole world of American soil was made by Sheriff Julius Harberger in an address at the annual meeting of the executive committee of the Free Sons of Israel in New York.

The government is said to be investigating an alleged shortage of many thousands of dollars in the customs office at St. Joseph, Mo.

Committees representing the miners and operators of the anthracite regions began a conference in New York on demands of the mine workers for higher wages, an eight-hour day and recognition of their union.

In a speech before the Massachusetts legislature, Colonel Roosevelt said: "I am not advocating the recall of judges. I am advocating the recall of legislators to justice."

Willard Richardson, who shot and killed John Thibet in Carleton county and who has been threatened by three different mobs since his arrest, was tried at Barre, Vt., and sentenced to death.

His great was served attending the trial of Elmer Paris, at Stockton, Kan., charged with the murder of his brother John, that judge Smith adjourned from the courtroom to the open house.

President Taft has been notified that Dubogue's city market is a model in solving the high cost of living problem.

Three policemen are witnesses to the contrary of the assumption that a real article had been adopted the Hudson river as his abode. The unusual visitor was seen swimming on the river at Riverside, Ohio, New York city.

Eight out of twenty-five Paterson (N. J.) bread mill mills which have been affected by the strike of the workers for a new scale of prices have signed the new schedule. At the same time the workers in two other mills closed work.

Frank B. Kellogg of St. Paul was retained by the Waters-Pierce Oil company, in St. Louis, to aid in the fight against the Standard Oil company, for control of the Waters-Pierce company.

Gov. Woodrow Wilson's daughter was rescued from a train that had been marooned for five days by the rebels in Mexico. Her rescue was effected by a newspaper reporter with the assistance of a racing automobile.

Eight persons were killed and as many more injured by a cyclone that swept the southern section of Arkansas.

Colonel Roosevelt has formally announced himself a candidate for the Republican nomination for president. The announcement was made in a statement replying to the letter addressed to him recently by seven governors. He says: "I will accept the nomination for president if it is tendered to me, and I will adhere to this decision until the convention has expressed its preference."

A 6-mile gas caused great destruction property along the Atlantic coast.

Fire in a coal mine in Oklahoma caused the loss of several lives.

Mrs. Ida E. E. Vincennes, Ind., introduced the advice of a clairvoyant and deposited \$2,000 with a friend. Both money and clairvoyant are missing.

A resolution was passed by the Illinois miners' convention at Springfield providing that any miner patronizing nonunion labor should be subject to expulsion from his local for a period of not less than six months. The local failing to enforce this enactment is subject to a fine of \$100.

Wilfred Anders, maid of all work in the Brooklyn hospital for infants, expiation from his local for a period of not less than six months. The local failing to enforce this enactment is subject to a fine of \$100.

Thirty officials and employees of the National Cash Register company have been indicted for criminal violation of the anti-trust law by a federal grand jury at Cincinnati.

Mayor Lambert of Rockport, Ky., met an incoming steamer at that port, the steamer, and each hand, held his daughter, who eloped with Charles Pruitt, was on board and declared he intended to kill Pruitt. The \$50,000 item was inserted in the conference committee report and rushed through the legislature in the closing hours of the 1911 session.

At each session for many years bills have been introduced without fulfilling the constitutional requirement that a bill and all its amendments must be printed before their passage.

As a result an unprecedented situation exists.

Governor Danaher probably will convene the legislature in special session to rectify the mistakes of past years before other measures, whose validity is in doubt, are attacked in the courts.

Many important bills are affected by the decision of the court, including the following: Omnibus appropriation bill, making appropriation for the expenses of the state government for the ensuing two years; omnibus bills making appropriation for the seven state charitable institutions; senatorial appropriation under which general assembly members have been elected for last two years; Cook county civil service bill; providing for payment into the state treasury of all fees collected by state officers; municipal civil service bill; Chicago parks civil service bill; Chicago police pension fund bill; state game commission bill; appropriation for sites for state armories and army buildings; appropriation for buildings at state fair grounds, new PLANS INDUSTRIAL BOARD

Congressman Wilson Offers Bill for Federal Commission to Recommend Laws.

Washington.—A federal commission of nine members to be appointed by the president and serve without salary, to recommend new legislation to congress for the benefit of American industries, is proposed in a resolution introduced by Representative Wilson of Chicago. The commission would be authorized to spend \$25,000.

Split Vote in Oklahoma

Clark and Wilson Forces Divide Democratic Delegation Evenly Between Them.

Oklahoma City, Okla.—In accordance with the provisions of a resolution adopted after hours of wrangling, the Democratic state convention adjourned, having named a list of delegates evenly divided between the Clark and Wilson factions. Robert Galbreath was named national commissioner by unanimous vote.

Fine Lord Tennyson's Son.

London.—Lord Tennyson, son of the late poet laureate, appeared in the literary role of talker at the late of Wright petty session court, where the magistrate fined him \$4 for not having his name on milk can and carts as the law requires.

Killed While Saving Pets.

Ottawa, Ont.—Mrs. Elizabeth Moore was killed in a house at Montreal through returning into a blazing house in an endeavor to save her pet—four cats.

ALLEE SAME LIKE UNCLE SLAM

PERILS MANY LAWS

DECISION OF ILLINOIS SUPREME COURT KNOCKS OUT STATE MEASURES.

WILL CALL EXTRA SESSION

Bill Appropriating \$50,000 for University of Illinois is Declared Illegal Because It Was Not Printed Before Final Passage.

Springfield, Ill.—The state supreme court has handed down a decision which affects the validity of many of the most important laws and appropriation bills passed by the legislature during the last forty years.

The court held an appropriation of \$50,000 for the medical department of the University of Illinois to be unconstitutional on the ground that the bill in its final form was not printed before its passage by the legislature.

The \$50,000 item was inserted in the conference committee report and rushed through the legislature in the closing hours of the 1911 session.

At each session for many years bills have been introduced without fulfilling the constitutional requirement that a bill and all its amendments must be printed before their passage.

As a result an unprecedented situation exists.

Governor Danaher probably will convene the legislature in special session to rectify the mistakes of past years before other measures, whose validity is in doubt, are attacked in the courts.

Many important bills are affected by the decision of the court, including the following: Omnibus appropriation bill, making appropriation for the expenses of the state government for the ensuing two years; omnibus bills making appropriation for the seven state charitable institutions; senatorial appropriation under which general assembly members have been elected for last two years; Cook county civil service bill; providing for payment into the state treasury of all fees collected by state officers; municipal civil service bill; Chicago parks civil service bill; Chicago police pension fund bill; state game commission bill; appropriation for sites for state armories and army buildings; appropriation for buildings at state fair grounds, new PLANS INDUSTRIAL BOARD

OSPINA IS RECALLED

MINISTER NOT UPHELD BY COLOMBIA OR PEOPLE

Announced International Policy of His Country Toward United States Will Be Maintained.

Bogota, Colombia.—Gen. Pedro Mel Ospina, Colombian minister to the United States, was recalled by the Colombian government.

The action of the Colombian government was taken because neither it nor the Colombian people uphold the position taken by the Colombian minister at Washington in notifying the state department that the visit to Colombia of Secretary of State Knox would be inopportune, owing to the fact that Colombia's claims in connection with Panama have not yet been arbitrated.

The notification given by the Colombian government says that General Ospina is "separated" from his post at Washington, and that the incident, which took place in Colombia and the United States is thus closed. Colombia, it continues, will maintain her international policy.

PASS TARIFF REVISION BILL

Democrats in House of Representatives Take Action on Chemical Measure.

Washington.—For the first time since the insurgent Republicans broke away from the regulars in the fight over the tariff bill in 1909, the Republicans of the house presented, practically a solid front against the passage of a tariff revision bill.

Representative Theron Ains of New York, an Independent Republican, and Mr. Hanna of North Dakota, a regular Republican, voted for the measure. Representative Berger of Wisconsin, Socialist, voted against it. All Democratic members of the house voted for the bill.

RAIL CHIEFS IN CONFERENCE

Meet to Discuss Demands of Engineers for Increase in Wages.

New York.—Executive officials representing all of the large railroad systems in the eastern territory met in this city to exchange views on the demands made by the locomotive engineers for higher wages. The engineers are asking a 15 per cent. every road west. On the north of the Chesapeake & Ohio and south of the Canadian border, it is affected.

The railroads, it is understood, are inclined to meet upon the demands of the engineers as hardly justified by existing conditions.

TEN KILLED BY CYCLONE

Large Section of Arkansas is Devastated by Storm—Many People Injured.

Little Rock, Ark.—Details of a double tornado which devastated portions of Lincoln, Jefferson and Arkansas counties, placed the list of dead persons at ten.

The great destruction was reported at near Albany in the prairie and rice lands of Arkansas county. Mrs. M. Jane Wood and McCains and an unidentified stranger who was stopping at the Johnson home all were killed.

Aid Sent Flood Victims.

Gibraltar.—The storm throughout Andalusia on account of the late frosts is appalling. Money is being sent from all parts of Europe in an attempt to remedy the pitiable situation. The pope made a generous contribution.

Aviation Is College Study.

Madison, Wis.—Flying machines and the principles of their use are being studied by students in the college of engineering of Wisconsin university as a result of the formation of an aeronautical club by students.

REBELS TAKE JUAREZ

DEFENDERS OF MEXICAN CITY MAKE LITTLE PRETENSE AT RESISTANCE.

13 REBELS SLAIN AT TOMAYA

Chihuahua in Twelve-Hour Fight With American Ranchman at Edge of 'Maverick' Farm—Troops Patrol the Border.

El Paso, Tex.—Juarez is in possession of the Vasquezista rebels. Firing only one or two volleys and meeting no resistance, except a few scattering shots in reply of their first volley, the rebels marched into the town, capturing the machine guns that had been bought to resist the rebels, took charge of the municipal offices, the custom house, the barracks, the jail and other public buildings.

Mexican Consul E. C. Lorente of El Paso afterward said the officers decided not to make resistance to avoid complications with the United States. United States troops patrolled the border at the time the attack was made, apparently to enter Juarez if El Paso should be endangered.

Guadalupe, Kan.—Thirteen rebels were killed and many others wounded in a battle with the state troops fought at Tomaya, near San Gabriel, in the southern part of the state of Jalisco.

Mark, Tex.—The headquarters of the Nelson Morris ranch, opposite Sierra Blanca, is surrounded by insurgents, and a battle between American soldiers and Mexicans has been going on twelve hours. A band of American cowboys, well armed, have started southward for the Rio Grande, with the determination to release the besieged.

SAYS PLEDGE WAS BROKEN

Washington Newspaper Declares Roosevelt Promised Taft He Would Not Run.

Washington.—The Washington Evening Star displays prominently on its first page the following statement: "From sources entirely independent of the White House it is ascertained that the confidence entertained by the administration and others that Colonel Roosevelt would not be a candidate against Taft was based on definite and repeated statements by Colonel Roosevelt made within a year that he would not be a candidate in 1912 and did not intend to oppose President Taft for re-election."

Boston.—Although Col. Theodore Roosevelt has declared his intention of making a "straight out fight" for the presidential nomination, he let it be known that he would not be drawn into personal controversy by the present administration.

Colonel Roosevelt repeated his statement that he had not taken his present position for personal reasons.

TO TESTIFY AGAINST DARROW

Former Aid of Attorney Confesses to Bribery and Will Turn State's Evidence.

Los Angeles, Cal.—District Attorney John D. Fredericks made the positive announcement that Bert H. Franklin, former McNamee detective, will be the state's star witness against Attorney Clarence G. Darrow, who is charged with bribery.

This announcement followed the entering of a plea of guilty by Franklin to a charge of corruption and bribery in the Robert Hill case. Fredericks further stated that a complete confession has been received from Franklin, who will take the stand at the trial of Mr. Darrow and tell fully of his part in the alleged attempt to bribe jurors in the McNamee case.

For his complete confession, and in light of the fact that the George McNamee case, which still hangs over his head, Franklin will be permitted to pay a fine of \$2,000.

SAW PACKERS IN CONFERENCE

Former Employee Gives Sensational Testimony on Trial of Beef Muttons.

Chicago.—Sensational testimony, regarded by government attorneys as strongly supporting the charges against the packers on trial before Judge Carpenter in the United States court was given by Archie E. Hayes, a former employee in the office of Edward Tilden, president of the National Packing company.

Mr. Hayes testified that he had often seen J. Ogden Armour and eight other men of the list indicted packers go into secret conferences in Tilden's office. One of the basic charges brought by the government is that the indicted beef outfits met each Tuesday in Tilden's office for the purpose of agreeing on shipments and margins for beef sold into eastern territory.

To Teach Tropical Farming.

New York.—A school to train students in tropical agriculture is to be established in Trinidad under the auspices of the British colonial authorities, according to advice received here. The school will have collegiate rank and provide full four-year course.

Italy Seizes British Ship.

Trieste.—Italian warships seized the British steamship Rover in the local harbor, alleging that contraband war material was on board. The ship was on board.
