## OBITUARY

Died at the home of her parents in the northern part of Cuba, Wisconsin, Wednesday, March 27, Miss Anna Dorothy Sick, only surviving child of Mr. and Mrs. Gustav Sick. She was 18 years, five months and 28 days old, and was born in Clinton, Iowa, and her parents moved to Illinois when she was two years of age.

She was an unusually bright and intelligent girl and graduated from the Wisconsin high school at the age of 14. Last September she entered the business college at Waukegan and took up the study of stenography. She returned to her home on March first to care for her mother who was very ill. When her mother was well and she was about to return to school she suffered from an attack of measles closely followed by pneumonia, which, despite the efforts of the best physicians and nurses, resulted in her untimely death.

The funeral was held Saturday afternoon at two o'clock at the Baptist church, Waukegan, Rev. Mr. Hansen officiating. The many beautiful floral offerings and the very large attendance attested to the esteem in which she was held in this community.

The principal and several pupils of Waukegan Business college attended the funeral. Interment was in the Waukegan cemetery.

"Ours is the loss and our sorrowing. Ours the grief and the gain."

## THIS WEEK'S LOCAL POLITICS.

### Village Primary Was Held Last Saturday—Cuba and Barrington Township Elections on Tuesday.

Last Saturday, March 30, the primary election of the village of Barrington was held from the hours of two to eight p. m. There was no contest, consequently every thing was quiet until about 7:30 when the two candidates began to think that the ballots were being scratched and began to hustle for votes. After that the judges and clerks were kept busy.

At six o'clock less than fifty votes were cast; when the polls closed at eight o'clock 219 votes were registered. Tuesday, April 16, the village election will be held, at which time there will be competition for the office of clerk of the board of trustees, Joe Robertson being a candidate by petition against Walter Lageschulte, the present incumbent. Both candidates have many friends and are working hard.

The most important question, however, or the question which is most talked about, is "shall the village go wet or dry?" Two years ago the "dry" was won by 66 votes. As printed on the ballots the question will read: "shall this village continue to be anti-alcohol territory?" It is expected that a vote of nearly 400 will be polled on that day.

Township Elections.

Last Tuesday, the day of the township elections, 187 votes were polled in Cuba township and 205 votes in Barrington township. The regular ticket was elected in both townships; William Webster, candidate for collector by petition in Barrington township being by 69 votes and Chris Schumacher, candidate by petition for the office of highway commissioner in Cuba township being by 19 votes. The vote in detail was as follows:

Cuba Township.

For Supervisor, Fred Kirschner.....134  
For Town Clerk, Emil F. Schaefer.....131  
For Assessor, E. W. Riley.....120  
For Collector, Will Rieks.....137

Barrington Township.

## HELP STARVING CHINESE.

### China Famine Relief Committee Makes Appeal for China's Starving Millions.

The following appeal of the China Famine Relief committee of New York, composed of a large number of men, some of whom are known throughout the land, is one that should arrest the attention of all our citizens. This relief committee is acting in cooperation with the Red Cross of which President Taft is the head.

Will not all who can, feel called on to do something, if only a small amount, and do it once to relieve the awful distress. The appeal explains itself.

Contributions of money will be received at the Barrington bank, and by the bankers sent to New York. Whatever you do, please act at once.

There is an earnest recommendation from the committee that the matter be taken up in churches, Sunday schools, lodges and associations of various kinds and that an effort be secured if possible to aid the relief fund.

This appeal is endorsed for Barrington by H. H. Thoren, J. Buesie, John C. Plagge, A. W. Meyer, M. T. Lamsy and C. F. Mattison.

THE APPEAL.

Three millions of people in Central China are on the verge of starvation. Last summer the worst floods in forty years destroyed the crops in an area of 50,000 square miles. Many have already died of hunger and unless prompt relief is given, multitudes of men, women and children must perish.

There is a strong Famine Relief committee in Shanghai, China, composed of both foreigners and Chinese of all faiths. Bishop Graves, of the Episcopal church, is chairman; Dr. Wu Tingfang, former minister to the United States, vice-chairman; Rev. E. C. Loberstein, of the Presbyterian church, secretary, and Mr. H. C. Gulland, Manager International Banking corporation, treasurer. This committee will employ as many as possible of those able to labor in building dikes and in such other work as will help to prevent the recurrence of flood and famine.

This work is in line with the recommendations of Mr. C. D. Johnson, an engineer sent to China by the American Red Cross. All labor is to be paid for in grain, not in money.

This is one of the greatest famines of modern times. Six hundred thousand families are without food or means of support. Fifteen dollars will save a whole family from starvation. Fifteen hundred dollars will save one hundred families. Fifteen thousand dollars will provide for one thousand families. Hundreds of thousands of lives can thus be saved if sufficiently prompt and generous contributions are made.

In this time of national crisis and reconstruction in China, and in her hour of dire physical distress and suffering, may America prove a friend indeed, because a friend in time of need.

LAKE URICH.

Emil Frank will open his ice cream parlor Easter Sunday.

Mr. and Mrs. Hildman and daughter, Ada, made a trip to Chicago Wednesday.
