VILLAGE REMAINS DRY

Local Option Question Carried For the Third Time—Majority Reduced—Robertson Defeats Lagaschulte by One Vote.

The largest vote ever cast at a village election in Barrington was polled Tuesday. The local option question and the contest between Walter Lagaschulte, nominee on the regular ticket for village clerk and Joseph D. Robertson, who was a candidate for the same office by petition, brought out the large vote.

To accommodate voters obliged to leave for their work on early morning trains the polls were opened shortly after six o'clock and before seven more than 100 votes had been cast. At noon two-thirds of the total vote was in.

Some scratching was done early in the day for A. W. Sutherland for village trustee against Edward T. Martin.

At the close of the polls at five o'clock 383 votes were cast.

On the proposition "Shall this village continue to be anti-saloon territory" there were 210 votes "yes" and 159 "no". Fourteen voters failed to vote on the question.

The total vote cast in 1910, the last time the local option question was an issue, was 368 of which number 216 were "dry" and 152 "wet". Only two ballots were cast on the question of proposition. The "dry" majority was reduced this year by 13 votes. This is the third time the question has been submitted. The first time it was carried by 18 votes.

The contest between Lagaschulte and Robertson for village clerk was so close that the judges found it necessary to recount the ballots and on the completion of their work found that Robertson had won by one vote only.

The vote in detail was as follows:

For Village Trustees	
John C. Fagge	233
Herman Schwann	251
Edward T. Martin	191
For Village Clerk	
Walter Lagaschulte	183
Joseph D. Robertson	184
A. W. Sutherland received 43 votes for village trustee and Charles Edgely and Henry Lagaschulte each one vote for the same office.
