"Electric lighted" means a great deal more than it says, for the same wires that carry the lighting current furnish current for ironing, sewing, washing, vacuum cleaning, massaging, ventilation and for many other purposes.

**Almost A Miracle.**  
One of the most startling changes ever seen in any man, according to W. B. Homelaw, Clearendon, Texas, was noted years ago in his brother. "He had such a dreadful cough," he writes, "that all our family thought he was going into consumption, but he began to use Dr. King's New Discovery and was completely cured by ten bottles. Now he is sound and well and weighs 218 pounds. For many years our family has used this wonderful remedy for coughs and colds with excellent results. It's quick, safe, reliable and guaranteed. Price 50c and \$1.00. Try a bottle free at the Barrington Pharmacy.  
The Danger After Grip lies often in a run-down system. Weak, nervousness, lack of appetite, energy and ambition, with disordered liver and kidneys often follow an attack of this wretched disease. The greatest need then is Electric Bitters, the glorious tonic, blood purifier and regulator of stomach, liver and kidneys. Thousands have proved that they wonderfully strengthen the nervous system and restore to health and good spirits after an attack of grip. If suffering, try them. Only 50 cents at the Barrington Pharmacy.
