CHAPTER XXXV.—(Continued.)

"It's the Indian." he said grimly, "Sanches must a' mistook him fer one of us, and shot the poor devil.

And Sanches himself is out yonder on that sanches, himself is out yonder on that sanches, himself is out yonder on that sanches, and shot the poor devil.

And Sanches himself is out yonder on the sanches, himself is out yonder on the sanches, and sanches himself is out yonder, and he we're got the gang. Bring that body out there along with you.

The "Bar X" man waded out to belp, and the three together laid the dead Mexican-outlaw on the bank, beside himself in the sanch was dead to the head, beside himself in the sanches heading how to look curtously into the dead face—wrinked, ecarred, still featuring cruelty, the this lips drawn back in a mant. What access of horror those eyes had gazed upon during fifty years of crime; what suffering of men, gomen, children; what deeds of repisie, what examples in the sanches of himself in the sanches of head of the sanches when the sanches he had been dead and the pidnisms shuddered, as he turned away.

Taking Pairbals with him and hastily reviewing late occurrences to him. Raith crossed over to the corral, real soit wholly done until Karwiey had been located. With this guest in mind he strode straight to the black-bearded giant who had guarded lieps from Sharisas.

Painting With a Spongs.

An artist whose work in water color to described in the Studio says that because the sable brushes are too small, she uses for certain sweeping effects of light and shade on the dresses, for example, a spongs. This crist is described as using water colors, not within the narrow limitations usually prescribed, but is an individual means of expression. She constitute from the studio of the same prices of the water color board together to make the pictures the likes to produce is this medium.
