FIFTIETH ANNIVERSARY

Mr. and Mrs. Henry Plagge Given Surprise Celebration in Honor of Their Fiftieth Wedding Anniversary.

On Thursday, May ninth, was celebrated the fiftieth wedding anniversary of Mr. and Mrs. Henry Plagge, at their home on South Hawley street. The affair had been planned by the sons and daughters as a surprise.

The home was decorated in cut flowers and ferns, and Mr. and Mrs. Plagge were the recipients of many beautiful bouquets and gifts. At 6:40 p. m., proceeding a sumptuous supper, a short program was given. Miss Almida Plagge rendered Mendelohof's wedding march on the piano. John C. Plagge, a cousin of Father Plagge, then introduced Rev. John Boente, pastor of the Zion Evangelical church, who gave an interesting address. Misses Myrtle, Almida and Frances Plagge sang a trio, "Golden Wedding Bells." Later in the evening an impromptu musical program was given by the grandchildren and other guests and greatly enjoyed.

About sixty guests were present, among whom were Messrs. and Mesdames Henry and William Plagge of Deshield, and Edwin Plagge of Rogers Park, the gentlemen being nephews of Mr. Plagge. Seven sisters and three brothers, of Milwaukee, Chicago, and vicinity, wives and nephews of Mrs. Plagge were present, with many other relatives.

Henry Plagge was born at Landenberg, Hanover, Germany, in 1830. He came to America in the year 1853. Wilhelm Plagge, son of Thomas, was born at Eimshausen, Illinois, in 1842. They were married May 9, 1862, and settled on a farm near Barrington. Three sons and five daughters blessed this union, two daughters dying in childhood, and Mrs. Sarah Busch and Mrs. Caroline Wohlhausen, also deceased.

Those still living are Fred E., a farmer at Elgin; Walter B., of Lake Zurich; Frank H. and Miss Minnie Plagge of this village.

Lake County Board of Review.
Ferris L. Foxworth, county judge of Lake county, has appointed John G. Bone, representative of Shields and Charles J. Whitman, democrat, of Avon, who, with Chairman Clark of Highland Park, will constitute this year's board of review. This leaves the county seat for the first time in the history of the board, without representation on the board. Avon never has had a member and this year's appointment marks the first time Judge Foxworth is for the day and a "square deal" with the outside towns in the distribution of these important positions. The gentleman selected stand high in the county and no doubt will give efficient service.

The new pipe organ for the local Baptist church arrived Tuesday morning. It took two days to move it from the car to the church and seven men to lift some of the parts. It is a beautiful instrument and is being touched by the local committee of the subscription by a man from the Illinois Pipe Organ company of Pekin. It is expected that it will be all built & ready for service for the church this afternoon.

HELD LAST MEETING

Club Year For Woman's Club Closes—Held Last Meeting at the Home of Mrs. Johnson Schwemm.

Excepting for a final business meeting later, the Barrington Woman's club closed yesterday with a large meeting at the home of Mrs. John Schwemm on Main street where the ladies of the Thursday club and friends of the Woman's club members gathered to pass an afternoon of social mingling and to listen to a talk of clubs and women's interests.

Mrs. Clifford M. Miller, of Park Ridge was the lecturer. She is the president of the federated clubs of the 7th district of the Illinois Federation of Women's clubs. Her familiarity with the work of the club woman of the state makes her one to tell about in an interesting way about those affairs in which the brightest women in communities are taking part. Mrs. Miller first spoke on the club life question, and urged all ladies to attend the district meetings, which, members or not; and it would be well for some of our women who are opposed to federating to go to such meetings and catch the organization spirit and be brought in contact with best women in other towns in order to be broadened and helped; who friendship and association would be a pleasure and develop new lines of thought.

The Girls' Industrial Home at Park Ridge was another subject considered. This institution is well known and its care of careless girls is largely kept alive by the influence of club women and it is certainly one of the nobles of their worthy acts.

A very the paper concerning women and her achievements was also read by the lady, which had a vein of humor running through that pleased, as well as the more serious parts instructed.

We agree as club women of this town that the influence of women rules the world, despite the laws of man made to please himself. Mrs. Miller started a heated discussion by stating that she, a cultured woman of prominent name, is not an advocate of woman's suffrage. Suffrage will eventually come, whatever the opinions of individuals, if not for the woman of this day, then for her daughters who will be prepared to consider these questions now confronting grandmothers and mothers who are satisfied with old-time ideas.

Many instances in history and new times were cited proving woman's value in political matters by her influence over man, her achievements in the commercial world and vast superiority to man in her position as a mother.

Music was rendered by Miss Irene Weisman, a sweet singer, and Miss Margaret Boehmer, pianist.

There have been many thousands of acres devoted to the production of clover and alfalfa hay and the loss is enormous to the farmers. With alfalfa seed at \$12 a bushel and red clover \$15, farmers are discussing the advisability of replanting, especially as the alfalfa cannot be cut the first year.
