Lers or Chitr's syssegm.

Don't ist little chitren read at dust or by freelight; read ill princed books, nor one set in small type; have a light too near the eyes, the heat and ghare being injurious; read too long at a time or etopo over a book. Bad positions in sitting are a fruitful source of currenture of the spins. Don't let them suffer som inperfect sight. At the tonded to. Take the child to the best occulies you can afford.

Degrees of Freedom.

Breedom and progress are not the same thing, Freedom in a the necessary means to the highest progress, but it may also be used as the means to the lowest degradation. Let us hold fast

Don't overlook our "business notice column. It's one of the most interesting departments in the paper.
