Picnic in Wilson's Grove.

The annual picnic given by the Palatine band at Wilson's grove, four miles east of Elgin Village, Sunday attracted a large crowd from Palatine, Barrington, Lake Zurich, Wauconda, and surrounding country. Trains were run between Palatine and the grove and many took advantage of the opportunity to take a ride on the new railroad, which the promoters soon hope to have completed to Lake Zurich where a large picnic and celebration is to be held upon the completion of the work.

The Palatine ball team played against the Chicago Furniture Company team and received their first defeat of the season by a score of 3 to 2. In spite of the fact that the grounds were in poor condition a good game was played.

The Palatine band, under the leadership of W. N. Sears of this village, entertained the gathering with a concert during the afternoon.

A large and substantial pavilion has been built on the grounds and there was dancing afternoon and evening.

The Palatine ball club plans to hold a picnic on the grounds July 4.

Erman S. Smith, Retained as Superintendent.
The board of education has contracted signed for the superintendent and teachers who will have charge of the Barrington Public schools during the next year. All places have been filled excepting one teacher in the high school. Erman S. Smith will continue as superintendent with the following teachers: Misses Elsie and Caranda Galzer, Palatine; Miss Elizabeth Forbes, Chicago; Miss Irene Zimmerman, Barrington; Miss Jennie M. Darcy, Wilmette; Miss Ina Castle, Austin; Miss Alfrida Ackerman, Chicago.

The school year will begin September second.

Kulich Victor With a Ford.
The seventh annual hill climb at Algonquin last Thursday was brought to an end before the close of the afternoon events by a severe hail and rain storm which sent spectators scurrying for shelter. Kulich, in a little Ford, carried off the honors of the event. He smashed every record previously made on the steep incline. His best time was 15.25 seconds which beats last year's record by more than a full second. The race was not as well managed this year and the attendance was much smaller than usual probably accounted for by the fact that the national Republican convention was in session at Chicago. Barrington was well represented among the spectators.

Wrestling Match at Opatrnny's Next Sunday.

Joseph Smejkal, the Bohemian wrestling champion is training at Opatrnny's resort near Cary for a bout with Frank Gotch in Chicago on July 4 for the championship of the world. Smejkal has had fifty-four bouts in America during the past seven months and won them all. On Sunday afternoon, June 30, at Opatrnny's grove near Cary he will wrestle with Alec Shafford, a French-Canadian giant. The program will also include Ila Vincent, who is a giant colored man and will be matched against the best man that can be secured in Chicago.

Predicts Hot Summer.
In an interview last Friday, Dr. R. Jencks, Elgin's weather prophet, predicts that we will have a very hot summer. He says "one extreme must follow another and it is a certainty right now that we'll sizzle before we're through with the summer." We are certain that this week has started out right to comply with Mr. Jencks' prediction.

To Vote on Sunday Theaters.
The voters of the city of Elgin are to vote for or against the Sunday theaters at a special election to be held next Saturday. Nearly all the ministers of Elgin preached against them at the Sunday services last Sunday. There is considerable interest manifested in the vote and it is predicted that there will be a large vote out.

This Article on Clothing is From C. F. Hall of Dundee, an Old Clothing Buyer of Forty Years Experience. Please Read in Your Own Interest.

The writer of this brief article wants to have a little talk with you on the matter of Men's Clothes. As you are aware we sell Abt's Clothing; no doubt the best clothing made in the United States. An opportunity presented itself to the writer a few days ago to buy their entire surplus of summer stock; made an offer and the offer was accepted. These prices are so much OUT-OF-THE-ORDINARY that we want you to know all about them. We have thirty clothing cabinets full of these fine goods. Any large purchase we would not have attempted, but for the fact that we have a large outlet outside of our community. We have divided this lot of clothing into four lots.

Lot 1, \$8.00. Lot 2, \$10.00. Lot 3, \$11.00. Lot 4, \$12.00.

We are prepared to demonstrate to you that we can sell to you clothing at \$8.00, which formerly wholesaled at \$11.00 which wholesaled at \$13.50 early in the season—Suits at \$11.00 which wholesaled at \$15.50 early in the season—Suits at \$13.00 which wholesaled at \$16.50 early in the season.

Now our proposition is this: come to us on the strength of this advertisement. If we have misrepresented in any way, and you can bring your best judge, we will pay you for your time and car fare. Any representations made here are absolutely correct and we can prove it. Come and see us NOW. This opportunity may not occur again. We want to see men who are paying \$15.00, \$20.00, \$25.00 and \$30.00 for a Suit.

A Sane Fourth.

The prospect of a sane Fourth in Barrington appear to be exceedingly good. There will be no celebration of any kind, not even a Sunday school picnic as far as we have been able to learn. However, the base ball fans are requested relief, the Omnes Vitae club will come here with the Clover Leaf team of Chicago and a hot game is promised. It is said that there is a possibility of the local team meeting with their second defeat, that is, if they do not lose the game Saturday when they will play the Sterling Athletic club of Chicago.

TYPEWRITERS GIVEN AWAY

The Emerson Typewriter Company of Woodstock, Illinois, have recently given away over 400 of the highest grade, wholly visible Emerson typewriters made in the world. They have a postal card sent to every man, woman, boy and girl, over 18 years of age, on surprisingly liberal conditions. If you could make any use of a \$100 typewriter, providing it did not cost you even one cent, then in a letter or a postal card addressed to Frank L. Wilder, President, Woodstock, Ill., note, simply say, "Mail me all your free offers and by return mail you will receive your Free Offer, the names of over 400 who have received typewriters free recently, and you will learn on what very conditions you can get one of these typewriters free right away. The Emerson Typewriter is one of

the highest grade, wholly visible typewriters made in the world. Many who have used the "EMERSON" and other makes pronounce the "EMERSON" superior to any \$100 typewriter on the market. It is a wholly visible machine, has every new, up-to-date feature, looks like other high grade \$100 typewriters, though it is selling just now at an astonishingly low price and on terms of no money with order, trial free in your own home. Nothing to pay at first and after a thorough trial, 10 cents a day until paid. The "EMERSON" has every new improvement, universal keyboard, back spacer, tabulator, two-color ribbon, everything the best; is the ideal machine for beginners as well as for the most expert typists and stenographers; just the typewriter for the smallest or largest office.

If you could possibly make any use of a high grade typewriter, even though it didn't cost you one cent of money, or if you would like the agency in your town on a plan by which you could make big money, or if you would like a position with the company, then be sure, on a postal card, to a letter addressed to "Frank L. Wilder, President, Woodstock, Illinois," say, "Mail me your Free Offer."
