*There's no box on his forehead
But his eyes are
Like a hawk's
With the fire
In his eyes
It's no wonder
Now the Fourth of July
Dear Child, that's easy
You'll walk in glad procession
Or six abreast
To listen to some fluent, fat and gross
Old wind-bag with a wide, expansive chest
And he'll orate
About our copper-bottomed ship of state
And tell of GEORGE
And his brave Hessians there at Valley Forge
And how they met
The blooming British led by Lafayette
And gave them such a scare
That they instantly
The Yanks

The Sunday school lesson is one concerning "Faith and Unbelief." The orchestra will lead the singing. Miss Kingsley is chorister. At 10:40 a. m. public worship with preaching. The Sunday services at the church June 30 were more than ordinarily interesting as it was Children's day. The church was beautifully decorated with flags and flowers. The program had been prepared with care and had for its end the emphasizing of the value of a Christian education. The closing service in the evening was especially impressive. A generous offering was taken for the cause of education, amounting to over fifteen dollars. At the morning hour the pastor baptized four small children. The house was nearly filled both morning and evening.

Next Sunday at 10:30 a. m. services will be held with preaching. Sunday school will be held at 9:30.
The Franciscan meeting which was to have been held today has been postponed until Thursday, July 11.
Choir practices next Tuesday evening. The Jugendverein will hold their annual social at the church grounds sometime this month. Watch for further announcements.

WILSON AND MARSHALL.

Governor Woodrow Wilson of New Jersey was nominated for the presidency of the United States on the forty-sixth roll call by the Democratic National convention at Baltimore Tuesday afternoon. The nomination was made unanimous. Governor Marshall of Indiana was nominated for vice president.

A gasoline stove in the Barrington Chocolate shop became over heated last Friday and caused considerable excitement for a few minutes.

Mail Carriers Will Fly.

This is an age of great discoveries. Progress rides on the air. Soon we shall have mail carriers flying in all directions, transporting mail. People take a wonderful interest in a discoverer that benefits them. That's why Dr. King's New Discovery for Coughs, Colds and other throat and lung diseases is the most popular medicine in America. "It cured me of a dreadful cough," writes Mrs. J. F. Davis, St. Kinney Corner, Me., "after doctor's treatment and all other remedies had failed." For coughs, colds or any bronchial affection try unequalled. Price, 50c and \$1.00. Trial bottle free at Barrington Pharmacy.

To Preserve Old Photographs.

One way to preserve old photographs is as follows: Put the photographs in clean hot water; very soon the pictures loosen and may be easily removed from the cards. When dry, either trim down to economize space, or carefully cut away the background entirely. Mount them in a scrap book or a book made especially for kodak pictures. You will then have a book with which you can spend many happy moments looking over familiar scenes and faces.

What a Man is Made Of.

The average man has "ingredients" to make fat for seven bars of soap, iron for a medium-sized nail, sugar to fill a small bowl, salt to fill a shaker, lime to whiten a chicken coop, phosphorus to make 2,500 match tips, magnesium for a dose of magnesia, sodium to neutralize a pint and a half of water, potassium to explode a toy cannon, sulphur to rid a dog of fleas, and albumoids to make a case of eggs.—Leslie's Weekly.

Women's Beauty in History.

We all know that beauty in woman holds a unique, preponderant and romantic place in the world's history; that it has plagued nations into war; that it has altered the map of the world; has given us some of the greatest masterpieces in every art, and that it is as changeable as fashion itself. It is the weather of the weather.—Roger & Chastelux.

Continental Employment.

Providence is not always on the side of the biggest battalions, and the best word has not necessarily been spoken when the biggest crowd has done its shouting.—Rochester.

Respective Lenny.

Some people who never carefully consider the career of a man who mentions a chain, consider an associate the most expensive luxury.—Aldrich Clark.

LAMEY & COMPANY

BARRINGTON, ILLINOIS

TYPEWRITERS GIVEN AWAY

The Emerson Typewriter Company of Woodstock, Illinois, have recently given away over 400 of the highest grade, wholly visible Emerson Typewriters made in the world. They have done this in every state and territory in the United States. There may be some in your town. They are giving them away everywhere, to men, women, boys and girls over 15 years of age, on surprisingly liberal conditions. If you could make any use of a \$10 typewriter, providing it did not cost you even one cent, then in a letter or a postal card addressed to Frank L. Wilder, President, Woodstock, Illinois, simply say, "Mail me all your free offers" and your name will be entered on our Free Offers list. The names of over 400 who have received typewriters are recently mailed, and you will learn on which the most expensive money—\$10—has any conditions you can get one of these typewriters free right away. The Emerson Typewriter is one of

the highest grade, wholly visible typewriters made in the world. Many who have used the "EMERSON" and other make, pronounce the "EMERSON" superior to any \$10 typewriter on the market. It is a wholly visible machine, has every new up-to-date feature, looks like other high grade \$10 typewriters, though it is selling just now at an astonishingly low price and on terms of no money wish order, trial free in your own home. Nothing to pay at first and after a thorough trial, 10 cents a day until paid. The "EMERSON" has every new improvement as well as for the most expert typists and stenographers; just the typewriter for the smallest or largest office. If you could possibly make any use of a high grade typewriter, even though it did not cost you one cent of money, or if you would like the agency in your town on a plan by which you could make big money, or you would like a position with the company, then let your name go on our list by a letter addressed to "Frank L. Wilder, President, Woodstock, Illinois," say, "Mail me your Free Offers."
