BARRINGTON, ILLINOIS, THURSDAY, AUGUST 22, 1912

\$1.50 PER YEAR IN ADVANCE

CLOSES NEXT MONDAY

The Campmeeting Will Come to a Close Monday—This Year's Services Have Been Very Successful.

The Evangelical campmeeting at Barrington park has attracted crowds from near and far. It is an interesting site to watch people coming together from different cities and communities as they greet each other with expressions of gladness. Genuine Christian fellowship is in evidence on every hand. The numerous songs, hymns and throb with expressions of friendliness as people get acquainted and renew old friendships. On Tuesday and Wednesday there were twenty-three ministers present. Bishop Dubs arrived on Tuesday morning and preached his first sermon here at 10:30 and spoke in the afternoon. Wednesday he was the main speaker at the fathers and mothers' service, and himself in a splendid spirit and health.

Reverend Lockhart, Mattison and Buente, and also Reverend Jorgelin of the Evangelical association attended. The large number of actual campers is very gratifying, and in spite of the heavy rains the services have been well attended. The preaching is unusually strong and spirited. A master discourse was that by Bishop Dubs on the "Resurrection of Jesus."

On Sunday nearly three hundred persons took communion. The day was warm and sultry. About one hundred dollars were gathered in the free will offerings. In the evening the storm that broke out flooded the camp, but the well built tabernacles came to good service, though Rev. Schmidt was necessitated to stop speaking several times on account of the noise of pelting rain that made it impossible for people to hear what he said.

The bible school matter was discussed in the ministerial meeting with the result that it was decided to continue it, and a committee was appointed to prepare a program. This committee is composed of Reverends Schultz, Thoren and Unangst. It seems to be the general verdict of all who have expressed themselves on the subject that the bible school should be continued and the work drawn up to make the work strong.

When the service for aged people was begun, six young ladies were ready to honor the fathers and mothers by giving to each a white aster during the singing of appropriate hymns. The following names were taken: The first was one between 90 and 80 years of age; 16 between 70 and 80; 25 between 60 and 70; 28 between 50 and 60; making a total of 80 persons who were between 50 and 90 years of age. Bishop Dubs' sermon was very appropriate and full of cheerful instruction as to how to live happily and in joyous depression in spirit when bodily feebleness arises due to age, and when it is impossible to do what one has been capable of accomplishing during earlier periods of life.

The afternoon attendance was large, and the fourth sermon by Dr. Dubs was preached in his usual characteristic way, though it was evident that hard and strenuous work had fatigued him.

Bishop W. H. Fouke will be at the camp from Thursday to Monday. He will preach each day, and will also be at the camp on Sunday. He is a devoted speaker and a spiritual power. On Saturday afternoon Mr. Henry Moore, Field Secretary of the Illinois State Sunday School association will speak at 2:45 o'clock. Those who heard Mr. Moore's splendid discourse last year will certainly want to hear him again this year. His constant labor in this state in Sunday schools and institutes makes him so acquainted with the work. He is a very interesting speaker with a message of eternal value.

Next Sunday morning and afternoon Bishop Fouke, D. D. will preach. The Sunday school will be held from 1:30 to 2:30 o'clock, and will be addressed by two or three speakers. The orchestra will also play. A novel feature will be the class of Chinese young men from Chicago. Address street mission hearing D. D. Moore. They will be led by a fervent Christian Chinese named Frank May, and sing a hymn in the Chinese language. These men are being instructed in the Christian religion, and some have been helped in various ways in their home land.

On Sunday afternoon at 1:30 there will be held in the dining room at the campmeeting a men's meeting at which some address pertaining to the benefit of the campmeeting and the work of the church will be given. They will be led by a fervent Christian Chinese named Frank May, and sing a hymn in the Chinese language. These men are being instructed in the Christian religion, and some have been helped in various ways in their home land.

STOLEN HORSE RECOVERED.

Horse Belonging to H. Stilson Hart Which Was Stolen Thursday Evening Was Found Friday Evening.

There was considerable excitement in this quiet village Thursday evening when it was discovered that a mare valued at \$700 owned by the Hartwood farms had been stolen. The animal was hitched on Hough street just around the corner from the Barrington pharmacy. Telephone messages were sent to all towns in this vicinity giving a description of the mare and the two seated rig it was hitched to, asking the authorities to keep on the lookout. A track south, which looked like a good clue, was followed to Humphrey's corners where it was lost.

Edward Magee, manager of the Hartwood farms, started for Wheeling Friday evening and stopped at the Schoppe farm east of this village to make inquiry as to the road. He was told by the tenant there that a mare answering the description was found in a cornfield early in the morning at the John Wilson farm two miles north of Palatine. On driving there Mr. Magee found the horse and rig.

Mr. Magee has been found as to who the culprit was. A liberal reward is offered for information that will lead to their arrest and conviction.

Story is taken, and the housing of incoming people who must be taken care of, has produced a problem for the management. Two thousand pamphlets were printed, and these announcements have been sent out over a large territory, and in that way Barrington receives one of the best kinds of advertising.
