Miss Margaret Finn of Edgewater, another cousin, returned home yesterday after a two-weeks visit. Misses Thorp, Ellison and Finn, spent several days at Fox Lake, returning to this village Monday.

Do you want the latest editions of school books for the Barrington public schools for this year? You will find them at D. F. Lamey's.

CHURCH NOTES

Continued from first page.

English at 7:30 p. m.

The second quarterly meeting will begin at 2 p. m. Saturday, September 7, in Miller's Grove church. Quarterly conference will immediately follow the preaching service. On said Sunday the regular service time will be observed, both at Barrington and Miller's Grove.

Dr. S. L. Umbach of Naperville will conduct these meetings.

Campmeeting Closed. Continued from first page.

Sunday afternoon, commencing with his brethren at the Lord's supper, was called out one afternoon to join two young hearts in matrimony, took four members into church fellowship last evening and at the close of the camp meeting returned to comfort, bereaved and sorrowing friends in the home of mourning. Such is the experience in this life. Sorrow and gladness exchange places within a few hours. Blessed is he whose trust is in the Lord, and whose life is fixed by noble purpose for the making of better manhood and womanhood. Barrington Park camp meetings have become annual feasts and recruiting seasons. They are some of the most potent factors for the uplifting of this community in the best sense, and as a factor for righteousness they take first rank. Long may they continue.

New school books and school supplies at D. F. Lamey's.

H. K. BROCKWAY, Post Master.

Any Ever at War. There are two things everlastingly at war, joy and pain. But Bucklen's Arnica Salve will banish pain in any form. It soon subdues the itching, irritation, inflammation or swelling. It gives comfort, invites joy, creates a healer of burns, boils, ulcers, cuts, bruises, eczema, scalds, pinpoints, skin eruptions. Only 25c at Barrington Pharmacy.

Board of Auditors Meeting. Notice is hereby given that the board of auditors of the township of Barrington will meet on Tuesday, September 3, 1912, at the office of Town Clerk.

Those having claims against said township are requested to file their bills with the undersigned on or before said date.

J. F. GIESKE, Town Clerk.

Board of Auditors Meeting. Notice is hereby given that the board of auditors of the township of Cuba will meet on Tuesday, September 3, 1912, at the office of Town Clerk Schaebe.

Those having claims against said town are requested to file their bills with the undersigned on or before the said date.

E. F. SCHAEBE, Town Clerk.

Firing Men Fall. victims to stomach, liver and kidney troubles just like other people, with ache, nervousness, headache, and tired, listless, run-down feeling. But there's no need to feel like that as T. D. Peables, Henry, Tenn., proves. "Six bottles of Electric Bitters" he writes, "did more to give me new strength and good appetite than all other stomach remedies I used." So they help every body. Its folly to suffer when this great remedy will help you from the first dose. Try it. Only 50c at Barrington Pharmacy.

OLDEST TREE IS ON COS

It Measures 30 Feet in Circumference and is More Than 2,000 Years Old.

The tallest trees in the world are the Australian eucalypt, which attain an altitude of 400 feet. The highest are the mammoth trees of California, some of which are 276 to 378 feet in height, and 108 feet in circumference at the base. From measurements of the rings it is believed that certain of these trees are from 2,000 to 2,500 years old. The oldest tree in the world is said to exist on the island of Cos off the coast of Asia Minor. It is several thousand years old, but just how many no one has dared to say. The tree is carefully preserved by a wall of masonry around it, and the trunk is thirty feet in circumference.

But there are parts of trees in the form of useful timber which are even older, probably, than any on the stump. Beams in old buildings are preserved today, which are known to be over a thousand years old. Piles driven by the Romans prior to the Christian era are perfectly sound today, and it is known that they have been immersed in water for upward of two thousand years.

Some woods have remarkably durable properties when immersed in water. They decay rapidly on the stump, but when immersed in water they last longer than iron or steel. An effort has been made by our government to preserve woods indefinitely by treating them with oils and tar products. Already telegraph poles and railroad ties have had their average life extended from five to ten years by this process.—Harrar's.

Indian Killed on Track. Near Rochelle, Ill., an Indian went to sleep on a railroad track and was killed by the fast express. He paid for his carelessness with his life. Often it is that way when people neglect their health. Don't risk your life with the use of Dr. King's New Discovery will cure them and so prevent a dangerous throat or lung trouble. It completely cures me in a short time of a terrible cough that for years I could not get rid of. I have lost a severe attack of grip, writes J. R. Waite, Florida, Texas, and I regained 15 pounds in weight that I had lost." Quick, safe, reliable and guaranteed. 50c and \$1.00. Trial bottle free at the Barrington Pharmacy.

Neither Meat Rejoinder. A Frenchman, dining at the duke of Richmond's, bored the company by boasting that his country was first in everything, and supreme in fashion. Ruffies were then in vogue, and monsieur claimed that France deserved the credit for introducing them. "That is true," said George Selwyn, "but England improved them greatly by adding a shirt to them."
