**Notice to Post Office Patrons**  
The boxes in the post office are ruled and governed by the post office department at Washington, D. C., and they fix the rates of rent to be charged for use of the same. The rules instruct the postmasters to place the rent notice in the boxes ten days before the first of April, July, October and January and if the rent of the box does not pay the rent before the first of the month the postmaster must put their mail in the general delivery and rent the box to their satisfaction and get to the government and not to the postmaster.

Please put your box rent promptly and obligingly.

H. K. BROCKWAY,  
Post Master.

## ARRANGE FOR LECTURE COURSE

High School Pupils Plan a Five Number Entertainment—Other School Notes.

The evening picnic given by the school band was held indoors because of the cold weather. The attendance was good, indicating that the people enjoy and appreciate the work of the boys. They hope to give you something better in the future.

The beginner's band will have its first rehearsal on Tuesday afternoon, October 9, after school. This band is composed of boys in school in the fourth grade or above. The work is in charge of Mr. Sears. Get an instrument for your boy and let him join; it will do him good.

The 'Picture Man,' Mr. Howell, made his biennial visit to the Barrington school on Tuesday afternoon, October 9, after school. This band is composed of boys in school in the fourth grade or above. The work is in charge of Mr. Sears. Get an instrument for your boy and let him join; it will do him good.

The following pupils of room one were neither absent nor tardy during the month of September: Carl Ahrens, Elmer Frey, Roger Groll, Joseph Pokas, Alice Baecher, Esther Cooper, Gaila Hogland, Caroline Rohmeyer, Grace Schummen, Helen Winger, Henry Hudson, Kenneth Giese, Robert Bradt, Ivan Lageschulte, Karl Wainbeck, Minnie Hatel, Ethel Cooper, Gein Naeher, Laura Schrank, Alice Smith, Archie Domaney.

The pupils of the high school are planning a five number entertainment course for the coming fall and winter. It will be remembered that the high school succeeded in bringing a three number course here last year and one with which the people who attended were well pleased with. Entertainments of this sort are the very best that can be given to any community.

They are evenings of instruction and pleasure of which everyone should plan to take advantage. Get ready. The pupils will probably ask you to buy tickets for the latter part of this month and perhaps before that time.

The school lawn is one of the places of which the community as a whole has a right to be proud. It has been made so through the expenditures of the taxpayers money, the attention and care of school officials and last and greatest of all, the thoughtfulness and care of 300 school children who confine their play to the sidewalks and the playgrounds west of the building, that the lawn may be kept in good condition.

It is a pleasure to the community and it seems that there is no person who is not interested in the beauty of this property, will they kindly, out of consideration for others, refrain from using the lawn as a public thoroughfare, in other words, friends, 'keep off the grass.'

The Barrington school has produced another prize winner. Mr. Faust, the author of the system in penmanship in use here, visited the school Tuesday and awarded to Marion Plagge of the fourth grade a silver medal for improvement in writing. This is the second time in three years that the Barrington school has been awarded a medal. The system of penmanship is the same as that taught in the business colleges in various parts of the country and there is no reason why pupils should not become proficient in penmanship except for lack of interest.

Mr. Faust expressed himself as being very much pleased with the progress made the last year. Parents encourage your children to make the coming year better than the last.

**Births**  
A girl was born last evening to Mr. and Mrs. Charles Tahlman of Main street.

Yesterday evening a girl was born to Mr. and Mrs. Andrew Grom of Calumet town.

Mr. and Mrs. Frank Donlee who live west of this village are the parents of a boy born yesterday morning.

Mr. and Mrs. Howard Castle announce the birth of a daughter Saturday, September 28, at a St. Joseph hospital, Elgin.

Elgin Butter Market.  
Butter was quoted at 30 cents on the Elgin board of trade Monday afternoon. This price is an advance of 11 cents over the quotation of a week ago.

Densen Here Saturday.  
Governor Charles S. Densen and other Republican state candidates will be in this village Saturday afternoon to meet the voters and make their speeches.

## WILLIAM SPRIGGS DEAD

Old Resident of Barrington Passed Away at His Chicago Home Last Week

William H. Spriggs died of Bright's disease last Thursday evening at his home at 454 State street, Chicago, and the remains were brought here Sunday afternoon and interred in Evergreen cemetery.

Mr. Spriggs was born at Peterborough North Hamphshire, England September 22, 1855, and came here with his parents when about 10 years of age. When a young man he went to Woodstock and engaged in the harness-makers trade, and was married there to Miss Mary Callahan who preceded him in death by about four months. From Woodstock they moved to Chicago where Mr. Spriggs was an engineer at the Palmer house for many years.

After his father, who was still a resident of this village, was taken ill about two years ago he came here to care for him, and after his death remained at the home here with his sister, Mary. He returned to Chicago last spring when his wife was taken ill, but himself became sick shortly after he died, and remained in his Chicago home with his daughter Mrs. Mary Wendt, where he died.

The funeral was held Saturday morning at nine o'clock at his late residence and at 10 o'clock at St. Elizabeth's church, Chicago, where his high mass was celebrated.

**Denounce Fraud Cures**  
From thousands of pupils in all parts of the United States, take cures for consumption will be exposed and denounced.

These classes of cures are distinguished by the National Association, and are sold in hundreds of thousands of bottles and boxes of devices and drugs which can be bought for any sum ranging from ten cents to five dollars at a drug store.

The second class of 'cures' includes the 'institutes,' 'refractors,' or compounds of 'doctors,' who for a consideration will cure a cure consumption by some secret method of which they are the sole proprietors. There are nearly one hundred and fifty of these institutes in the United States, cheating the people out of millions of dollars annually.

In the third class of 'cures' are placed a number of home-made remedies, which either through ignorance or superstition have been advanced as treatments for tuberculosis. Some of these are onion, lemon, rattlesnake cream, cod liver oil, and 'blood-purifiers,' 'milk' 'strippings,' and even alcohol.

None of these remedies will cure consumption, declares the National Association. No drug, gas or other material has yet been discovered which when inhaled, or injected into the system, will kill the germs of tuberculosis without doing serious injury to the body. The only real cure for tuberculosis recognized by the National Association consists of the elimination of fresh air, good food, and rest, taken under the direction of a competent physician.

**Opportunity for a Bright Young Man**  
At the request of Congressman Frank Buchanan of the seventh Illinois district, Carl Schurz high school, will conduct a competitive examination for the appointment of a Midshipman to the Annapolis naval academy on October 11, 1912, at the above named school. The examination is open to any young man living in the seventh congressional district between 16 and 20 years of age. This is the second time that the congressman has given all the young men of this district an equal opportunity for the appointment to the government academy by holding an open examination, rather than making personal appointments.

The requirements of the examination will be the same as the regular course of study in the academy, viz: spelling, grammar, geography, U. S. History, world's history, arithmetic, algebra (through quadratics) and geometry (plane).

For information regarding the examination address W. F. Slooem, principal, Carl Schurz high school.

H. F. Schwerman of Lake's corners has rented a store building at Crystal Lake and opened a general merchandise store there this week.

E. H. Meyer re-opened the Waubesa creamery, one mile west of this village, Tuesday morning. The creamery had been closed for nearly a year.

## TWO COUPLES ARE MARRIED

Ceremonies Were Performed by Rev. H. N. Thoren on Wednesday Evening

**HAZEN REYNOLDS**  
Fred G. Hager, son of the late William Hager, and Miss Edna J. Baecher, elder daughter of Mr. and Mrs. Nicholas Baecher, were married last night at the home of the bride's parents at about eight o'clock in the presence of the immediate relatives, Rev. H. N. Thoren of Salem church performing the ceremony.

Mr. Hager is an employee of the Public Service Company of Northern Illinois and for nearly three years prior to his present work, was employed by the North Western Gas Light & Coke company.

Mr. and Mrs. Hager will reside at the home of Mr. and Mrs. Baecher. A fine luncheon was served after the ceremony was over. Both young couple are esteemed by all who know them. They are industrious and have the good wishes of their friends and neighbors for a useful and prosperous life.

**REYNARD HORTON**  
Ray E. Reynard and Miss Madge Marie Horton of Clearfield, Iowa, were married last evening at Salem parsonage by Rev. H. N. Thoren. Mr. Reynard is a prosperous farmer, and will reside with his occupation on his farm at Clearfield, Iowa. Miss Horton is the youngest daughter of Mr. and Mrs. J. W. Horton of that city and is a sister to Mrs. Benjamin Schroder of this village, with whom the young couple will spend some time during their honeymoon. Both Mr. and Mrs. Reynard are known to be popular in their community, and it is expected that when they return they will have a hearty welcome by their many friends.

**Rock River Conference**  
The Rock river conference of the Methodist Episcopal church began its session in Evanston on Wednesday, October 2. This conference covers the entire fourth of the territory of Illinois, being centered from one point directly south of it by an east and west line across the state. There is now a membership of about three hundred and fifty, including a few ministers, who have retired from active work. The session will last a week and the presiding officer will be Bishop McDowell. Only ministers are members of the body. The laymen, however, hold a session, usually on Friday, to discuss any question of interest that may come before them.

The usual plan of holding an annual conference is to devote the morning to business, the afternoon to committee meetings and the evening to anniversary services.

The appointments for the coming year are fixed by the Bishop and his cabinet, composed of the district superintendents. The Rock river conference has the name of being a difficult conference to hold, but the presiding officer, being a resident bishop, will have all the problems well in hand. The appointments will probably be read by next Tuesday.

From the present indications many changes in pastorate will take place and this fact will give rise to a feeling of some anxiety and uncertainty among both pastors and the churches they have served. It is very likely that the pastor of the Barrington church will remain as this seems to be the wish of the members.

No previous pastor has ever served the church more than five years. Rev. Mr. Ream was here for five years, and Rev. Tatfle for four. According to the present arrangements a pastor may remain as long as he and the church can agree as to the matter of his staying. If Mr. Mattison is returned, he will enter upon his sixth year of work here.

The church during his pastorate has increased in members and in financial strength and has year by year done excellent work in responding to the benevolent claims that make aggressive work in every field possible.

The church is fortunate in having a fine company of loyal young people who are making their influence felt in every department of christian activity. The Sunday school is well offered and is growing rapidly. The Epworth League, the society, young people, enters very largely into the life and work of the church and is a power for good. Other organizations in the church are doing their work and the outlook for the coming year is hopeful.

Recently there has come into the church from probation, on profession of faith and by letter, fourteen persons which makes the membership quite a little larger than it has been before for some years.

## CHURCH NOTES.

**ST. ANN'S**  
Services will be held next Sunday morning at 10:30 o'clock.

**BAPTIST.**  
Communion service the first Sunday morning of each month.

The monthly covenant meeting is observed the Wednesday evening preceding the Sunday communion.

Sunday morning preaching at 10:30 o'clock.  
Sunday school at 11:40 a. m.  
Evening praise and preaching service at 7:30 o'clock.

Devotional meeting will be held at the church next Saturday evening at 7:30 o'clock and from now on, instead of Wednesday evening as heretofore.

The pastor will preach both morning and evening Sunday.

A new form of work is being inaugurated in the primary department of the Sunday school. Miss Catherine Ota will have charge and will be assisted by Misses Natalie Gillette, Florence Killers and Dorothy Webb.

The plan being adopted is that, so successfully in use in the Hyde Park Baptist church of the University of Chicago. A series of 32 beautiful lessons in a course called 'Religion in Song and Story.' Each scholar under the direction of his group teacher prepares, with furnished illustrative material, a page each Sunday, in a book of 32 pages, which makes a volume or year's work when completed and bound. The course extends over three years, completing itself when the three volumes are prepared. Each volume is beautifully colored and stitched.

These studies have been prepared by experts in child psychology and are by far the best method yet devised to make the child understand the great truths of religion and not violate or overstrain his thought life in a way the older methods have done. The book and book material for the year costs each child thirty cents unless the parents of some do not feel able to furnish the book to their children, in which case a book will be furnished gratis. It will be a permanent record of one or three years acquired religious knowledge that the child may always preserve. The work will begin next Sunday.

**BALEM**  
Sunday worship at 10:30 a. m. and 7:45 p. m.  
Sunday school at 9:15 a. m., J. C. Plagge, superintendent.

K. L. C. E. meets at 7:00 p. m., S. Glecke, president.  
Prayer services Tuesday and Wednesday, 7:45 p. m.

General missionary meeting held first Wednesday each month at 1:30.

Woman's Missionary society meets first Thursday of each month, Mrs. B. H. Holt, president.

Mission band meets first Sunday of each month at 1:30.

Monthly offering of the church is taken on the second Sunday of each month.

Sunday school council meets first Wednesday evening of each month at 7:45.

The pastor will gladly respond to calls for service. (Phone 115-M, Herman H. Thoren, Salem parsonage.)

**ZION.**  
Sunday school next Sunday will commence at 9:30 and 'preaching services at 10:30.

St. Francis convent met in the church basement this afternoon.

Sunday, October 13, mission feast services will be held. In the forenoon Rev. Sievering of Mokena will speak on some missions and in the afternoon Rev. H. H. Bierbaum of Des Plaines will speak on foreign missions. These services will be in German, and T. Bierbaum of Arlington Heights will speak in English.

**METHODIST.**  
No preaching services will be held in the Methodist Episcopal church next Sunday, October 6.

Rev. O. F. Fallows is attending the annual conference at Evanston, Ill., this week, but it is expected he will be returned to this charge. His work during the past year has been even more acceptable to the church than during his previous years in Barrington, and his people would be much disappointed if he should be sent elsewhere. Dr. G. A. Lytle, who was announced to fill the pulpit next Sunday, will return to Buffalo this evening. Those who hope to hear his regreted inability to be here as that time. The Sunday school and Epworth League service will be held as usual.

Odd Fellows install tonight.  
Barrington lodge number 585, L. O. O. F. will install recently elected officers tonight at the regular meeting of the lodge at the hall in the Groll building. Refreshments and a social hour will be given after the meeting.
