It was the first meeting since all of these repairs have been completed at the village hall. In the absence of the president, Trustee Plagge, was chosen to take the chair. The Public Service Company of Northern Illinois presented a bill for a little over \$1,000 for pumping done for the last six months ending October first in excess of the contracted amount. This bill is not due until the first of the fiscal year but the company offered a two per cent discount for its payment at this time. The bill was referred to the committee on fire and water with instructions to attempt to secure a greater reduction.

The treasurer reported that the recent bond issue of twelve thousand dollars had been disposed of and that the money was now in his hands, but when it was paid out as the contractor who is installing the sewer system, for which purpose the money was raised, had not presented a statement showing what portion of the work was completed and what amount he was entitled to.

Two members of the Woman's Relief Corps were present and proposed to rent the hall for their meetings and for the meetings of the local Grand Army post if it could be secured reasonably. This matter was placed in the hands of the committee on public buildings, after which the meeting was adjourned.

## BEST-BALL GAME

**Married Men and Single Men of the Omnes Vitae Team Had Close Contest Saturday**

The best local baseball game of the season was witnessed at the Omnes Vitae club's field last Saturday, the married men of that club opposing the single men. The result was a two to one victory for the latter, although the benedicts had the game one to nothing up to the eighth inning. Dan Pomeroy and Lester Brown were the pitchers for the single men and George Landwehr caught. While Irving Landwehr and Dr. W. A. Shearer formed the battery for the married men.

Sunday Barrington baseball players were at the Rockefeller and held the crack nine of that village to a six to one score in a ten inning game, which was called on account of darkness. This team was not the regular Omnes Vitae team and did not go under that name although most of the players were members of it. The Rockefeller regular club uniform. The Rockefeller correspondent in the Libertyville paper named them the "Barrington Dubs" last week, but may speak differently now. The Barrington boys are willing to play the Rockefeller boys another game but that team refuses. H. D. A. Grebe, who is putting up, and as the local players are adverse to that sort of thing it is not probable that they will ever see the contest played off. Sunday's game was pitched by Wallace of Chicago, who has been employed by the Omnes Vitae club several times, for the first five innings, while Lester Brown pitched the last five.

**DANCE WELL ATTENDED**  
Cwl Club Party Was Pleasant Affair Another Dance Announced For October 31

The dance given at the village hall last Thursday evening by the Cwl club was attended by about 80 dancers and was a very pleasant party being especially welcome to the local young people because it was the first dance given in this village since last spring. The music was furnished by the Fisk orchestra of Crystal Lake and was quite satisfactory to the majority, although a few had criticism to offer and for this reason Mr. Smith, the promoter of the dance, has engaged Krus's orchestra of Des Plaines for the next dance which will be held on Halloween evening, October 31. He wishes to make his dances thoroughly satisfactory in every respect and is making this change in the orchestra with the hope that all will be pleased. The coming dance will be a full costume masquerade. Math Peckak has made arrangements to furnish suits to those desiring them, but would like to be supplied a few days in advance. No one will be allowed to dance without a complete costume. Six prizes will be given and refreshments will be served at the hall. Tickets will cost 25 cents for ladies and 50 cents for gentlemen and all spectators will be charged 25 cents.

**Plum Grove Church Moved**

The Salem church of Plum Grove has been moved into the village of Palatine and now stands in the north part of town, on a corner lot, well improved and newly painted and decorated, with a spacious basement, at a cost of about \$1400. Next Sunday afternoon the reopening service will be held, and many Barrington people expect to attend. Evening service will be held there every evening next week. A number of former pastors have been invited to attend, and a large meeting is expected. This project has required a good deal of attention and time, and the labor has been abundant to carry it through to completion. The presiding elder, Rev. B. R. Schmitz, will preside there Sunday afternoon.

**To Examine R. R. Men**  
A government license will in a few years be a condition prerequisite to employment upon American railroads, the members of the International Congress of Hygiene and Demography were informed in Washington Thursday by J. D. M. Hamilton of the Atchison, Topeka and Santa Fe railway system.

**Grand Jury in Session**  
The Lake county grand jury was in session at Watkegan Monday and Tuesday and returned 19 indictments. William Grace of Honey Lake served as jurymen from Cuba township.

## DEENEEN MAKES SHORT SP ECH

**Republican Candidates for State Offices Great Local Voters Saturday**

The special train in which a number of Republican candidates for state office have been touring the state for the past several weeks and making short speeches in all of the principal cities and villages, arrived here at about two o'clock Saturday, as announced, and the visitors were welcomed at the depot platform by about 200 citizens of this place. Governor Charles S. Deeneen and Cornelius J. Doyle, candidate for secretary of state, both made short talks. As the train remained here only 20 minutes they did not have an opportunity to say a great deal about the present campaign, but pamphlets were distributed giving a summary of the work of the present administration and Mr. Deeneen called attention to these and spoke upon the national situation. His argument was to the effect that under the Republican administration the country has been enjoying the most prosperous times of any in its history, and that the change of policies could work no improvement and would very possibly make conditions much worse than they are today. Mr. Doyle told about the very successful manner in which state affairs have been conducted by the present office holders, who are named all candidates for re-election. Mr. Doyle himself is holding the office of secretary of state by appointment, being placed there this spring by Governor Deeneen upon the death of the elected secretary, James A. Rose. Mr. Doyle is a candidate for election to that office this fall.

The party went from here to Palatine, Arlington Heights, Des Plaines and Park Ridge, and was accompanied a part of the way by a number of Barrington's local Republicans.

**County Fair Faces Crisis**

The McHenry county fair, one of the few county fairs now existing in this section, is facing the crisis of its existence. It is announced that unless financial help is received, the fair will be obliged to liquidate. The fair is being held at the present time at the local stockholders by officers of the association. The total indebtedness of the agricultural association is said to be about \$7000. The receipts of this year's fair were sufficient to meet expenses but did not leave a balance to apply on the debt. Officers declare that if liquidation becomes necessary creditors would receive not more than 25 cents on the dollar.

**Dairy Farms Score Well.**

Fully 25 per cent of the local dairy farmers will this month receive the additional 10 cents per hundred offered by the Bowman Dairy company to milk producers whose dairies will score 65 per cent or better upon inspection in the Chicago test. The score card issued by the Chicago test is the basis of this statement was made by Harry Fricke, the manager of the local factory, this week. Work of inspection has been going forward during the last week.

**Expect New Trains.**

It is expected that the C. & N. W. railroad will issue a new train car for this division Sunday which will give this town two new trains. One train will leave Chicago at about 10:00 o'clock in the morning and the other at about 8:00 in the evening. Both trains will be very convenient and it is hoped that the information is correct.

**Railroad Buys New Cars**

A standard passenger coach and a standard combination passenger and baggage car have been purchased by the new Watonsau-Palatine railroad and are expected to arrive within a week or two. The outside finish of both cars will be Tuscan red, striped in gold and black, and they will bear the inscription "Palatine-Lake Zurich-Watonsau."

**Rev. O. F. Mattison Returned Here.**  
T. H. Hook River, secretary of the Methodist Episcopal church, who closed his sentimental Everson yesterday, made his appointments Tuesday and returned Rev. O. F. Mattison to this pastorate much to the pleasure of local members of this church.

**ALVAMON & GROSS, PHILIP TRICE, F. J. HAWLEY & SON.**  
Dr. Barber, optician, will be in Barrington at Dr. Shearer's office Tuesday, October 22.

## R. GISTRATION DAYS

**Voters Should Register Names Next Tuesday—Avoid Swearing in Your Vote**

The law regarding elections requires that at general elections all voters that are registered or will be obliged to swear in their votes on election day. The Tuesday three weeks preceding the election and the Tuesday two weeks later, (one week before the election), are the days fixed for the registry. Both days the boards of registry, which are comprised of the town who will serve as judges of election, will meet at six o'clock and adjourn at four, the place of registration being at the office of Town Clerk Schaefer in Cuba township, and at the village hall in Barrington township. The members of the boards who will know their names in their respective precincts, but every voter should personally make sure that his name is on the registration books. Women should remember that they are entitled to vote for trustees of the county of Illinois, and that this law applies to them as well as to male voters.

Cook county has a registration law applying to the city of Chicago only, which fixes different dates for registration and also provides that all voters must register personally and cannot be registered by proxy. People living near the city are sometimes confused by this fact. The first registration in Chicago was last Saturday and the Review received a number of inquiries that day regarding registration locally. The following law applies to all country precincts and the day for registration are next Tuesday, October 16, and Tuesday, October 23.

**Knocked Down By Team.**

Arnold Schauble met with an accident in Chicago Tuesday which might easily have had serious results but from which Mr. Schauble fortunately escaped without injury. While crossing a street he was run into by a truck team and knocked down. A policeman who was a witness arrested the driver, placing the blame entirely on him. The owners of the truck were notified by Mr. Schauble and apologized to him for the inconsideration and loss of time caused by the accident.

**A Natural Error**

A teacher in Boston was telling the story of Red Riding Hood. She had described the woods and the wild animals that lived there.
