Barrington Township Holds Primary Tomorrow Afternoon and Cuba's Take Place Saturday.

VILLAGE AFFAIRS "LOOKING UP"

Five Men Have Entered Race For Trusteeship in Village—Nominations Will Be Made March 23.

Barrington township primary March 14.
Cuba township primary, March 15.
Village primary, March 23.
Township elections, April 1.
Village election, April 15.
School Election, April 19.

But little interest is being manifested in the Barrington township primary election which takes place tomorrow, there being no contest for any of the offices. The following are the candidates to be filled and the respective candidates: supervisor, C. P. Hawley; highway commissioner, George W. Humphrey; justices of the peace, I. H. Fox and F. H. Pryor; school trustees, H. W. Wagner and P. H. Miller; school trustees, H. J. Lageschulte (full term); George M. Meier (to fill vacancy); P. H. Miller is a candidate for constable to succeed August Rohmiller and Mr. Meier is a candidate for school trustee to fill the vacancy created by the removal of J. W. Waterman from the district. The balance of all officeholders at present are candidates for re-election. The primary will be held at the village hall, the polls opening at 2:30 and closing at 7:30 p. m. In the Cuba township primary, which will be held the following day, there is opposition for two offices and it is felt that a good vote will be polled. William Gieske heads the ticket to succeed himself as highway commissioner for the southern district. J. E. Talow and John Janke are also candidates for the office. Mr. Gieske has served several terms in that capacity and acquitted himself quite creditably. Mr. Janke gave satisfaction as a commissioner some years ago and is considered his strongest opponent. For thistle commissioner P. A. Cady and Henry Gieske are candidates. Mr. Cady is the present thistle commissioner. For justices of the peace L. R. Lines and John Jones are candidates for re-election. This completes the ticket. The primary will take place Saturday afternoon at the office of Town Clerk Schaefer from 2:30 to 7:30 o'clock.

In village affairs there have been several new announcements for trustees. The candidates for that office to date are: George P. Atkins, H. J. Lageschulte, George J. Hager, A. W. Sutherland and William Davenport, and three are to be nominated. Messrs. Lageschulte and Hager are re-election candidates and William Peters is the newer member of the board whose term expires this year. A. C. Lines, candidate for the office of police magistrate, has no opposition so far. Candidates for village offices may file petitions with the village clerk to have their names placed upon the ballots until March 24.

Mr. Martin has been over the entire state judging corn and states that the condition of seed corn is very bad, and that the farmers must exercise a great deal of caution choosing their seed corn or they will have to replant their fields or there will be no crop. In speaking of the corn, Mr. Martin states that the crop was a good one, the ears were large and contained every element except that of generation, and that he found only a few cobs where he believed the entire crop could safely be used for seed.

DISPLAYING OUR NATIONAL FLAG

Rules Adopted by the United States Government Which Should Be Familiar to All.

Many of the following rules for displaying the national flag are probably unknown to a majority of people. They should be studied and adhered to. These are the rules adopted by the United States government:

"There are several days in the year when the flag should be hoisted. These are: February 12, Lincoln's birthday; February 15, anniversary of the sinking of the Maine; February 22, Washington's birthday; April 19, anniversary of the battle of Lexington; May 30, Memorial day; June 14, flag day; June 17, anniversary of the battle of Rucker Hill; July 4, Independence day; October 12, Columbus day; October 17, anniversary of the battle of Saratoga; October 19, anniversary of the surrender of Yorktown; November 25, anniversary of the evacuation of Yorktown.

"In all of the dates given above the flag should be hoisted at full mast, with the exception of Memorial day, May 30, and the anniversary of the sinking of the Maine, February 15, when the flag should be at half-mast.

"A flag at half-mast should be half way between the middle of the flag pole and the top, or actually three-quarter mast. In hoisting the flag to half-mast, it should be hoisted to the top of the pole and then lowered to the position half way. In lowering the flag from this position it should be hoisted to the top of the pole and then lowered.

"The hours for displaying the flag are from sunrise to sunset, and the flag should not be allowed to remain hoisted during the night. The flag should not remain at half-mast during the entire day, but only from sunrise until noon. At the latter hour it should be hoisted to full mast. When the flag is placed at half mast upon the occasion of the funeral of one whom it is desired to honor in this manner, the flag should remain at half-mast only until after the hour of the funeral, when it should be returned to full mast.

"When the flag is used in decoration, side by side with other insignia, the flag should always be at the right."

MRS. SPINNER ENTERTAINS CLUB

Thursday Club Ladies and Their Invited Guests Number Seventy-Eight Anniversary Meeting.

On Thursday evening, March 8, the Thursday club held an evening meeting at the home of Mrs. O. W. Spunner. The club is now nineteen years old and as Mrs. Emily Hawley, chairman for the evening said, "will soon be out of its teens and by two years can vote." This meeting was the annual club birthday celebration which for years has been in the nature of a banquet for members and gentlemen guests, but the banquet was abandoned three years ago and a program substituted. This year many guests were invited and seventy-eight people were present.

The Spenner home is admirably arranged to receive a large party and Mrs. and Mr. Spenner are exemplary hosts in that their efforts are untiring to make visitors to their home comfortable and entertained. The members of the club who were appointed to assist Mrs. Spenner in arranging the program were Mrs. H. T. E. White, Miss Eva Lattie, Mrs. Emily Hawley and Miss John Collins.

Miss Virginia Rogers of Sterling, Kansas, a graduate of Cumock School of Oratory at Northwestern university, Evanston, gave the program and most graciously pleased each listener. Many of the club members who have appeared in this village with success, but it may be said with sincerity that Miss Rogers is the very best reader who ever enchanted a Barrington audience and it was through Mrs. Spenner's former connection with Prof. Cumock's school that gave her the privilege of hearing Miss Rogers. The young lady spoke mostly dialect selections of different nationalities, rendition of English and is an excellent mimic. Her personality was unusually pleasing. She is taking a post-graduate course and finishes this year.

Miss Violet Ulrich, Mrs. Charles Thies and William Cameron sang and played between Miss Rogers' numbers.

BARRINGTON TO HAVE A STATE BANK SOON

New Institution Will Open Its Doors as Soon as Arrangements Can Be Completed.

\$30,000 CAPITAL STOCK SUBSCRIBED

Local Men Take Initiative to Head Off Chicagoans—More Than Fifty on Books.

A state bank with a capital stock of \$30,000.00 and a paid in surplus of \$6,000.00, and owned by local people, will very soon be one of Barrington's institutions.

Spurred on by the announcement in the Chicago papers that on March 1 a permit had been issued by the state auditor to Messrs. Webster, Ward and Martin of Chicago to organize a bank here, followed by offers on their part to secure local subscriptions, a number of our business men decided to at once organize a strong state bank, and thus gain a foothold.

Accordingly books of subscription were opened Monday evening and by Tuesday evening the amount of capital originally decided on, \$25,000.00, had been over-subscribed. It was therefore necessary to increase the capital to \$30,000.00 to accommodate some others who desired stock. An application to organize for that amount of capital under the name, First State Bank of Barrington, was sent to Springfield yesterday, and a telegram received today states that a permit has been issued.

As soon as the order required by law can be given, a meeting of subscribers to the stock to determine the number of, and to elect the directors, will be held. The directors will then issue a call for payment for the stock. The state auditor upon receiving that the authorized capital and surplus has been fully paid in, will authorize the bank to open for business.

The stock has been subscribed by more than fifty persons, of whom all except four or five are local people. Among the outside subscribers is Judge Cutting.

HAS FAMILY OF TWELVE.
Eman Opatry and Family of Cary Get Picture in Chicago Paper.

Eman Opatry, proprietor of the Cary picnic grounds, according to the Record-Herald, boasts of the largest family in the state. The following article, accompanied by a picture of Mr. and Mrs. Opatry and their family, appeared in that paper last Monday.

"Eman Opatry of Cary thinks he is the father of one of the largest families of dyed-in-the-wool Illinoisans in the state. The picture represents Mr. Opatry and their twelve children, all living. The father is a native of Cary, while Mrs. Opatry was born in Bradwood. They were married in 1893 and the old man of their dozen children, George, is 19 years old. The oldest girl, Bertha, is 17, while the youngest, Isabel, is just 16 months old. There are six boys and six girls in the family, and all who are of school age are receiving education in the Cary schools. George is an athletic youth and is training his younger brothers to become fondness for outdoor sports. The father owns a hotel and picnic grove at Cary, as well as residence and business property there."
