### The Holy Spirit

received the Hol; red?" Acts XIX, 2

Paul met cer-tain disciples in Epheeus whom at first he supposed to be Christian disciples, but in whose testimony there was that which led to the inquiry, "Have ye received the Holy Obost since ye inquiry, "Hare ye received the Holy Ghost since ye believed" It is evident, therefore, from these words and from the sequent that it is one question at the thing to "receive the Holy Ghost." This brings up the whole question as to the relation of the Holy Spirit to the disciple, or the believer in Christ.

inst guide, or the believer in Chi. The personality of the Holy Spirit. We should keep in mind that the Holy Spirit is a divine person. Personality consists in self-consciousness and free will, and that the Holy Spirit possesses personality in this sense is evident from three things: (a) He has the attributes of personality; (b) He has the names of a personality; (c) He has the names of a personality; (c) He has the names of a personality. He does the works of a personality; (b) He has the names of a personality. He are the names of a personality. He are the names of the personality. He are the holy spirit loves you, as a believer in Christ, with a love in some sense distinct from that either of the Father or the Son's How marvelously near that brings him to our hearts! The Pather's love manifested itself in the chronic sense of the holy spirit. This brings us to the second thought, this had deed: "with the Holy Spirit. That indwelling of the Holy Spirit. That indwelling was promised in John 14:16-17. He had dwelt "with the disciples therefore, but he was to dwell "in them" by and by. He had been cance them from within. The promises was renewed again in Acts 1:4-5, where the indwelling or the Holy Spirit. The realisation came on the day of Pentecont, when the disciples were indwelt, hapting and and filled with the Holy Spirit at one and the Holy Spirit. The realisation came on the day of Pentecont, when the disciples were indwelt, hapting and and filled with the Holy Spirit at one and the same time. Conton, however, as far the first low terms are concerned, was not limited to the church as exception on the day of Pentecont, when the disciples were indwelt, hapting and and sense the first low terms are concerned, was not limited to the church as sense the product of the Holy Spirit at one and the same time. Such would seem to be suggested by I. Coristians, 12:13-14, where 20 years after Pentecout we are taught that as believen "we were all hapting day to the church." And what "baptiam" if not checout." He hap th

church? And what "baptism" if not that 'one baptism" on the day of Pen-tecost?

3. The filing of the Holy Spirit. But while the first two terms of that transaction on the day of Pentecost, the indwelling and the baptism (which are one) were for the whole church are one) were for the whole church are one was present apply at the same does not apply at the same does not apply at the same became the same filling of the Holy Spirit. There is but one indwelling, but many fillings. We gather this from Acts 5:31, where the same persons who were "filled" on the day of Pentecost were refilled on a subsequent occasion. And Again, that 6, when men are to be chosen to the office of descon it must be by those who are "full of the Holy Spiriti," as if some were thus spiritually sequipped while others were proceded the Holy Spirit, as if some were thus spiritually sequipped while others were proceded the Holy Ghost since ye believed?" The reception of the Holy Ghot on their part resulted in an endusment of power, but in other places of the Acts, notably the fourth chapter, it is seen to have resulted not only in the spirit of power, but in other places of the Acts, notably the fourth chapter, it is seen to have resulted not only in the spirit of power, but in other places of the Holy Spirit, be received by the believer on the Lord Souse Christian workstee, it is the spirit the received by the believe on the Lord Souse Christian workstee, it is subsequent to the Holy Spirit, is a, the Silling of the Holy Spirit, is a, the Silling of the Holy Spirit, is a the Silling of the Holy Spirit, is a, the Silling of Sil
