

Hard Sledding Ahead for High School Cage Team

Branches Resume Schedule Without Latta in Lineup

Ill With Appendicitis; Sensitive to Play Here Friday

Branches will resume basketball following the holiday vacation on Friday night without Latta, regular center, who is sensitive to his appendicitis last week. The operation will not be held until he is out for at least two weeks. This blow hits the team rather hard as the lanky center has an important role in the team. To make up for Latta, reserve center, Miller, is given the nod. He will be on the sidelines until he has had time to fill his shoes and will probably move forward to center.

Miller has a difficult assignment in taking over the center position. The other players have only triumphed in the past by playing a 30 to 25 minute game but all their efforts have been in vain. Their opponents were by Libertyville, Arlington, 24 to 23 and 19 to 19. Bensenville has the edge over the tough, hard team with Kuehn, at present, the conference individual of the week. He has been the best player in the conference. He has been the best player in the conference. He has been the best player in the conference.

Methodists and St. Annes Win in League Contests

Two "One Point" Victories Recorded in Games Tuesday

Two of the best played games of the present church league season were results of last Tuesday night's card when St. Annes' men and the Baptists met in an overtime struggle, and the Methodists with a great last quarter rally beat over St. Paul, 22 to 22 in a regulation length contest. In both games the eventual winners were leading until the last few seconds when spectacular one-handed baskets reversed the outcome. LaPointe clinched the St. Annes-Baptist game by whipping in a ringer from deep in the corner and Mundy gave the Methodists a victory over St. Paul by tallying a basket in the last 30 seconds with a one-handed shot from the edge of the free throw circle. LaPointe just got his shot off in time to
