

Musical Comedies Starring Brendel, Dunn, Oakie Billed

Scottish and Irish Shows at the Catlow This Week; Sitting Pretty' Jan. 24-25

One kind of comedy that El... daily declines to have any... with a comedy with anti... for as he is concerned, the... place for tigers and such... have none of them in his... It all dates from the time... in a picture which had a... of a fox pointed on it, the... and breathed hot... into his face. His... and it looked like... a vegetable."... as the trainer sought to... the king's attention.

Need New Morality to Face This Era, Says Macpherson... Continued from page 1... necessary for us to have luxuries... in our comforts at the expense of others... nearly per cent of the business men... of competing with consumers... they get both but pass through... of mad, fantastic and side... splitting adventures, which include... experiences with a female zoo pro... fer, seething blondes, furious red... heads, rubber check and narrow red... trousers.

FROM the moment the funeral is entrusted to our care, we assume full responsibility for all the troublesome details which have to be attended to at such a time. No unnecessary burden is left on the shoulders of the relatives and every effort is made to give them the freedom from distraction which is so much appreciated. Patrons may instruct all such matters to our care with full confidence in our experience and reliability.

Danielsen & Willmering Funeral Directors... 203 S. Oak St. Telephone Barrington 29
