Barrington Wins Over Wauconda by Score of 37 to 11

Bronchos Remain in Tie With Palatine, Libertyville at League Top

The combination of a smooth-working offense and an alert defense that limited their opponents' point-making to two field goals and five free throws, enabled the Bronchoeaters to trim Wauconda 37 to 11 Friday night on the Wauconda court. It was the seventh conference win for the local high school heavyweights and established them as favorites to sweep the rest of their schedule and share in the conference championship.

"In this respect" said the Duchess of Glenwood,

"I am really quite catty"...

"I, too, have a feline trait to confess. I love to relax like a cat by the hearth. So I always take a North Western suburban train. Though I am well-jilted little liberal on girls, the seats are roomy; the cars are clean. And the ride is so pleasant, I am almost certain to slip myself a station!"

Kelly and Cohen were having dinner together. Cohen helped himself to the larger fish and Kelly said:
"Engine manners you have Cohen. If I had reached out first I'd have taken the smaller fish."
"Well," Cohen replied, "you got it, didn't you?"

• You've heard and we've heard a lot of tire claims but here are facts straight from Akron: The Goodyear people have completed more than 8,400 stopping tests on automatically-braked cars equipped with various makes of tires both new and worn. By accurate measurements on wet slippery pavement, smooth tires slide 77% farther than new Goodyear All-Weathers—and other new non-skid tires slide 14% to 19% farther than the Goodyears. These figures check with the experience of our Goodyear customers and ourselves. How safe are your tires today?
