Mrs. Mae West of St. Louis, Mo., writes: "I'm only 28 yrs. old and weighed 170 lbs. until taking one box of your Kruschen Salts just 4 weeks ago. I now weigh 150 lbs. I also have more energy and furthermore I've never had a hungry moment."

Pat folks should take one half teaspoonful of Kruschen Salts in a glass of hot water in the morning before breakfast—it's the SAFE, harmless way to reduce as tons of thousands of men and women.

For your health's sake ask for and get Kruschen at Fredlund Drug Co. or any druggist; the cost for a bottle that lasts 4 weeks is but a trifle and if after the first bottle you are not joyfully satisfied with results—money back.

Not since the days when Jack Barrington was very young have I noticed in any playhouse that strange potency of incense and gunpowder which filled the theater as young Mr. Lederer approached in a low voice, "written by a revelation of virile talent in the dynamic sensation who held Broadway spellbound for eight months in the notable play 'As You Like It'."

It is the same Francis Lederer who makes his scene debut and gives the broader American audience a revelation of virile talent in the "Man of the World" which is to play the Catlow theater Friday and Saturday.

The story in short deals with a middle-aged man in the month of Greenland who is enticed away from his native land, and away from his native bride, to be a part of the London theatrical well-meaning, but ill-advised well-meaning. The enticement is easy since he has become enamored of the portrait of a beautiful daughter. It is when he has attained his ambition of meeting her that his charming naïveté goes will and breaks through the veneer of civilization to a disastrous disillusionment. It is strong and moving stuff.

Misses Louise J. Farrell, McLaughlin and Lumsden have been featured players in support of "David Harum," starring Will Rogers, will come to the Catlow theater Sunday and Monday.
