

White School Children Entertain P.-T. A. Group at Declamatory Contest

Winners in the declamatory contest which was a part of the P.-T. A. program put on at White school, north of Barrington on Hough street, Friday evening were Lillian Linders of the eighth grade, Norman Nerleford of seventh, and Robert Markle of sixth. Mrs. Robert Howland, Mrs. Fred Record, and Mrs. Lester Higgins, served as judges for the contest and twelve children took part. Mrs. Theodore Suh, who spent years in China with her husband, a missionary, took the children on a verbal trip through China and showed them carvings which she had brought back from there, incidentally illustrating the proper method of eating with chop sticks. An exhibit of the children's school work had been arranged for the evening and a social hour completed the program. Mrs. Vernon Schroeder is teacher at the school. Members of the White school baseball team played their first game of the season Tuesday afternoon, winning a 2-1 victory from the Waterman school line.

Erman S. Smith Attends Meeting of Educators at Chicago April 18-21

Erman S. Smith, superintendent of Barrington schools, attended the 35th annual meeting of the North Central association of Col-

leges and Secondary schools, held at the Stevens hotel, Chicago, April 18 to 21.

The problem of maintaining educational standards under the handicap of greatly reduced budgets was one of the chief topics of discussion by the educators who came from more than 20 states, it was reported.

Among the prominent speakers at the various sessions during the week-end were Dr. George Fredrick Zook, United States commis-

sioner of education; Dr. Charles H. Judd, dean of the school of education at the University of Chicago; L. D. Coffman, president of the University of Minnesota; and George, Cedar Rapids, Ia.

The association comprised colleges and universities and parochial schools throughout the Middle West and determined standards for teaching and curriculum upon which accrediting agencies are based.

IER Will Remodel High School; Plan \$12,060 Payroll

Relief Labor to Start Work May 21; District to Supply Materials

School district No. 4's request for an Illinois Emergency Relief project to remodel the local public school building was accepted this week and IER laborers will begin work May 21, according to Supt. E. S. Smith. An estimated payroll of \$12,060.80 will be provided by the IER but the school district will have to supply materials estimated to cost a little more than \$5000.

Remodeling plans, as designed by architect Robert Work, include the building of a boiler room on the west side of the school building, the installation of a new boiler, remodeling of the school office and of the former boiler room into a shop room for manual training and mechanical drawing. Work must be completed July 31 and the total labor requisition must not exceed \$12,060.80, it was reported. For that reason, the tentative plans of remodeling the attic have been abandoned and work will be confined to the basement and first two floors.

Remodeling of the school office will include a re-arrangement of the waiting room, private office and storage room and enlarging of the entire space by taking out a cloak room. The new waiting room, when completed, will measure 12 feet by 28 feet 6 inches and will stretch across the east side of the building. The superintendent's new office will be built adjacent to it and along the north wall. The complete re-arrangement is expected to give added spaciousness, according to Mr. Smith.

New boilers will be installed by IER workers as soon as the new boiler room, as approved in the project, is completed. Work in the former boiler room will include remodeling and putting into condition for manual training and mechanical drawing. Since the school district has most of the materials, the IER supplying labor but not materials, improvements will have to come within the school budget, it was reported. Skilled workers as well as unskilled labor will be required for the work, the exact number to be announced later.

Six Girl Athletes to Represent Barrington at Leyden Play Day

Six G.A.A. Barrington high school girls having been invited to attend Leyden conference play day, May 12, the following girls were chosen this week and will represent Barrington: LaFera Buschle, Ellen Donlon, Marjorie Van Der Veken, Marie Jorie Muir, and Helen Parke.

Representatives of the Barrington Athletic association will also attend Libertyville play day May 19 and one at Bensenville June 2.

Preferred Deposit Claim in Bank Not Allowed by Court

Claims of all depositors in the First State bank who did not have loan offset privileges are equal regardless of time when deposits were made according to an appellate court decision returned this week in the case of Mr. and Mrs. Hayden Bell versus the receiver of the bank.

Mr. Bell had contended he held a preferred claim on the grounds that the bank was a depository when he made a deposit of \$300 and \$1000 several days before the institution closed. Judge William V. Brothers of circuit court upheld his claim.

The case had been brought to the appellate court of the first district. A decision reversing Judge Brothers ruling was returned.

Royal Neighbors Will Have 33rd Anniversary Party Tuesday Evening

Royal Neighbors will commemorate their thirty-third anniversary Tuesday evening, May 8. All members of 25 years or more membership will be presented with a Jewel. A social hour of cards and music to follow the regular meeting, it was reported.
