It would be impossible to mention all the fun that went on, but a brief summary of the entertainment would include a delicious dinner, good music, dancing, swimming exhibits, and the final dedication. John Barrymore's "20th Century" Coming Next Week

Shirley Temple Here Friday
Grace Allen Scheduled for Sun., Mon.

"Little Miss Marker" with Shirley Temple starred, will finish its three-day run at the Caltow theater Friday night.

"Melody in Spring" the Paramount musical romance, brings to the screen for the first time Loretta Ross, the silver voiced tenor of radio fame. It is scheduled to play the Saturday night feature at the Caltow.

For his first picture, Ross has distinguished Hollywood cast supporting him, including Charles Ruggles, Mary Boland, and Ann Robern. The plot has to do with a singer with radio ambitions.

"Many Happy Returns" is the title of the Paramount film which introduces Guy Lombardo and his Royal Canadians to motion picture fame. It will play at the Caltow Sunday and Monday.

George Burns and Grace Allen, George Barbier, Joan Marsh, Ray Milland and Franklin Panabaz are featured players with Grace Allen doing everything from running her dad's department store to turning it into a bird sanctuary and tearing up vaudeville radio contracts, to trapping a pair of kidnappers in Hollywood. Velma and Yolanda, internationally famous dance team, provide charming numbers.

Thursday the Caltow will present a return of Will Rogers' "David Harum" as their bargain night offering. Wednesday and Thursday will bring John Barrymore in "20th Century."

Barrymore is cast in the role of Jaffo, a selfish, egotistical theatrical producer. He takes a lingerie salesgirl and through intense coaxing and sometimes sheer brutality, makes a great theatrical star of her, at the same time falling madly in love with her.

Charlie Lombard plays the part of the girl.

Where a slip means death

UP . . . UP . . . UP . . .

Up to 14,000 feet above sea-level skirting yawning chasms, tearing around 181 treacherous turns at breath-taking speeds, daredevil drivers fight their way up, grinding, pounding, swaying! In the annual Pike's Peak Race, where a slip means death, Firestone High Speed Tires were the winning card.

Surely this is the most amazing proof ever known of Extra-Action-Non-Skid Safety—and Dependability.

The new Firestone High Speed Tires for 1934 have the toughest, longest wearing tread Firestone has ever made. They have a wider tread of flatter contour, deeper non-skid grooves and tougher rubbers, giving you more than 50% longer non-skid mileage.

Every cotton fiber inside every cord is soaked and coated with Extra-Rubber—eight additional pounds absorbed by every 100 pounds of cotton cords. This is Gum-Dipping, the Firestone patented process that provides extra Blotious Protection.

50% LONGER NON-SKID MILEAGE
