Classes Formed at St. Anne's School; 62 Pupils Enroll
School Sisters of Order of St. Francis Here Again

Regular classes for pupils of Barrington public schools will commence next Monday morning, Sept. 10. Remodeling of the school building is practically complete and everything will be in readiness at that time, according to Supt. Emano S. Smith. All pupils from kindergarten through 12th grade in high school are to report at the school building Friday or Saturday, Sept. 7 and 8 for enrollment and payment of book rentals or locker assignments. High school pupils should report to their assembly room, grade pupils to their room teachers. Grade rentals are as follows: Kindergarten, first, second and third grades \$1.75 Fourth and fifth grades 2.00 Sixth grade 2.25 Seventh grade 2.50 Eighth grade 2.75

Among those who are teaching classes elsewhere are the Misses Irma Benson and Dorothy Solt at Arlington Heights; Miss Edna Anderson, Palatine township; Miss Philos Beuscher, Lake Zurich; Mrs. Vernon Schroeder, White school; Miss Edna Reese, Keosau school; Mrs. Clara Mae Ellison, Fox River Grove; Mrs. Ira Elfrink, Des Plaines; Miss Emma Walbaum, Palatine.

Classes at St. Anne's school, 207 N. Elm street, started Tuesday morning with an enrollment of 62 pupils. Three school sisters of the order of St. Frances, Milwaukee, Wis., are in charge again this year, their second in Barrington. Kindergarten and the first eight grades are taught at the parochial school. Father Duffey reported that the grades are exceptionally well-balanced this year, the distribution of pupils being quite even. Seventh grade has the largest attendance with a total of 19 pupils. There are five kindergartners and three children in third grade. Other classes vary with about 8 and 9 pupils in each grade. Musical instruction is included in the curriculum.

The school furnishes a combination padlock to a locker for a deposit of 75c. When the pupil has completed school here, upon the return of the padlock in good condition except for ordinary wear, the deposit is refunded. The time of reporting depends on the pupils last name. Those whose last names begin with A, B, or C are to report from nine to ten o'clock Friday morning. Those whose last names begin with D, E, or F are to report the next hour, from 10 to 11. The rest are to follow alphabetically, three letters each hour, from 9 to 12 Friday morning, 1 to 4 Friday afternoon and 9 to 12 Saturday morning.

It is very important that all pupils report so that regular classes may start without any confusion Monday morning. Pupils of the lower grades and junior high will take care of book rentals as they register and another

children and "their mysterious uncle," Miss Dobson reported. Circulation of books in both juvenile and adult sections of the library showed a decided increase last month but it is expected with the opening of school there will be an even larger number of reference and general books taken out since many pupils use local library work in connection with their class work. The library extends a cordial invitation to all citizens of Barrington to join its ever-growing circle of readers. Miss Dobson said. The librarian and her assistant will be glad to help readers in selection of interesting books.

Several will teach in Chicago as soon as school begins there. The list of Chicago teachers from Barrington includes Mrs. George Elfrink, Miss Ethel Kitson, Miss Lillian Augenstein; Mrs. Arthur Lagenschiller; Mrs. George Ara, Miss Minnie Lipofsky, Mrs. Alta Bennett and James Gunthorpe.

Among the local teachers who attended Lake county teachers' institute at Waukegan Thursday and Friday were Miss Reese, Miss Benson and Mrs. Schroeder.

Odd Bibles A Bible in a Berlin library is printed on palm leaves; another in the Vatican library weighs a quarter of a ton; while in the Bodleian Library, Oxford, is a Bible so tiny that it fits comfortably inside a walnut shell.
