Three Leagues for Bowling Are Being Organized in Town

Competition will be started in a week or two in three bowling leagues at Barrington Recreation alleys.

Three circuits are planned—one eight team men's league, one four team men's league and one four team ladies' league. It is probable that no Lions League will be formed this year, since a majority of the players in last year's league are planning to bowl in the above-mentioned circuits.

A meeting to organize the ladies group was held Monday night. It was announced that two women instructors, Mrs. Webster and Gerlie Gerber of Elgin will be at the alleys one night a week giving instructions.

Many Barringtonians were present at the Dunham Woods horse show in Wayne Sunday and several participated. Mrs. Haugan showed two of her horses and won 3 ribbons. Miss Jane McIntosh and her younger sister Mary also rode as did William Reichmann and the two William Reichmanns, Mr. and Mrs. C. H. Canby, Jevne Haugan, Mr. and Mrs. Edward McCaulley were among the spectators from Barrington.

Mr. and Mrs. Charles Lawrence Hecht are receiving congratulations on the birth of their son, born Wednesday, Sept. 5 at Evanston hospital.

Mr. and Mrs. Sheldon Clark left early this week for Boston, Mass., to attend the wedding of their son Carrington to Miss Carolyn Crocker September 15.

A young lady who will be welcomed by friends of the Klingbergs is Miss Kathleen Clara Klingenberg, daughter of the David Klingbergs, who was born at the St. Katharine's hospital August 28.

Mr. Alexander Reichmann left Tuesday for Toronto, Canada where she expects to spend a week. She will bring back her mother, Mrs. Dent, who will spend the winter with her.

The H. G. Zanders are Europeans bound having left here the last of August. They do not expect to be home until the first of November.

More Deadly, Too? In the insect world, as a general thing, the female of the species is much larger than the male and lives longer.

Barrington Hills 100 Attend First P.T. A. Meeting in Palatine Tues.

Palatine Parent-Teachers association started its program for the year Tuesday evening when members of the executive board entertained members of the school board, faculty and all school children at a meeting held in the community room of Palatine high school. About 100 guests were present.

Music was furnished by the high school orchestra. The program included an address by the club president, Mrs. Ethel Goddard, introduction of teachers by John Reusser, principal of the grade school, and appointment of committees and room mothers. Refreshments were served by the executive board. The next P.T.A. meeting will be held at 2:30 p. m. Oct. 9.

28 Jewel Tea Men Get Gold Medals for Safe Driving Twenty-eight route managers of the Jewel Tea Co., Inc., who have operated their automobiles for five years without being involved in an accident have just been awarded Gold Star memberships in the Jewel Star of Safety league. At the same time 230 route managers who have operated their cars for twelve consecutive months without being involved in an accident were awarded Silver Star memberships. Of the total men eligible for awards 65 per cent won either the gold or silver membership.

Five men have operated over 5,000 miles without being involved in even a minor accident in territories heavily traveled by automobiles and pedestrians.

Elgin B Team to Meet Barrington in Practice Game

First Conference Game for Bronchos on Local Field Sept. 28

The Bronchos will test their strength for the first time this season when they meet the Elgin "B" team Saturday morning in a practice game. Another practice game will be played next Tuesday afternoon with some other team not yet arranged. The first conference game will be played at the local field Friday, Sept. 28 against Warren.

Although practice was somewhat late in starting, owing to school opening later than usual, the squad is getting into shape rapidly. About fifty suits have been given out, and a few more players are expected to report later. Coach Clark expects to keep between forty and fifty on the squad for the first and second teams. The first team has not been organized yet but soon will be.

So far Coach Clark has been working mainly on getting the boys into shape. One exercise he puts them through which the boys especially like is that of a flying leap and landing on their stomachs.

An innovation will be tried this year for those not on the squad. Teams for touch football will be organized and will compete in a league much on the order of the Zoo league in basketball.

History in 50,000 Volumes Fifty thousand volumes record the history of Old Virginia.
