Swimming Coach to Talk at 'Fathers' Night' of P.T.A.

Tom Robinson, famous swimming coach of Northwestern university, is the leading attraction on a varied and entertaining program planned for a "Fathers' Night" meeting of the Barrington P.T.A. which is to be held in the school gymnasium at 8 p. m. Wednesday, Nov. 14.

Mr. Robinson has a rich and interesting background of experience having produced some of the finest swimmers in the country. He has been a swimming coach at Northwestern for 24 years and during that time has won a total of 31 national and 5 conference championships. During the last ten years, his teams have won a championship each year except one. His intense interest in young men and women is largely responsible for his success and parents who attend the meeting will find a stimulating message in his address on "Physical Education and the Future of the Nation."

Other highlights in the program will be a short address by Supt. E. S. Smith on "What Can the P.T.A. Do for the School?," some musical numbers, and a big surprise event which several outstanding local song leaders will participate. Robert Muir has accepted the post of master of ceremonies. Refreshments will be served after the meeting.

"We want all the fathers to be there, and, of course, we would like to have them bring their wives, too," said K. K. Lillen, chairman of the Fathers' committee. "This is an splendid opportunity for each father to illustrate his personal interest in the school and his children by being present. The committee has arranged for an exceptionally entertaining program which will make it worthwhile for everyone to attend."

Lake Republican Candidates Cling by Narrow Margin

Hendee Out; Maloney Defeated; Rural GOP Commissioners Win

In spite of a national and state democratic landslide which even upset one contest in rock-rubbed Lake county, republicans of this district were partially soled by the fact that all republican candidates for Cook county country town commissioners were elected, and that all GOP candidates for Lake county were elected except for county clerk.

Hendee was defeated for county clerk by Alford. The vote was Alford, 18,404; Hendee, 18,160, Duollite, republican, barely noted out Tyrrell for sheriff 19,075 to 18,950. Persons led the Lake county vote, with 20,252 to McHenry 19,431, and re-elected county judge.

David B. Maloney, Barrington village attorney, was defeated by republican Ralph Church for tenth district congressman by about 4000 votes in a very close race. He led in Cook county but trailed in Lake county.

For Cook county commissioners from the country towns, all republicans, Busse, Miller, Erickson, Caldwell, and Canlon, were elected. Busse was high vote getter with 101,888 votes. Jergin, democrat, was lowest of the ten candidates with 89,484.

The car was dragged completely around and tramped from the street. The front of the car was smashed but both men were unharmed.

Local Community Goes Republican by Usual Margin

But Rest of Country Voted for New Deal, So Majority Wins

While the democratic landslide of 1932 continued to slide with unabated fury in 1934, the Barrington district which consists chiefly of Barrington, Cuba, Elia and Palatine townships, remained staunchly under the old GOP flag with 2 to 1, 3 to 1 and 3 to 2 majorities reported in every precinct except the second in Palatine which turned in a democratic majority.

Cuba precinct and the third Barrington precinct were the most solidly republican in the district. In Cuba 532 straight republican votes were cast as compared with 198 straight democratic ballots, showing a margin of somewhat less than three to one. Stratton led over Stolle 644 to 250. This is a republican gain over two years ago. Hoover led Roosevelt only 631 to 455 and Small led Horner only 579 to 463 in 1932.

Ela township switched back into the republican column. Two years ago Roosevelt polled 292 votes compared with Hoover's 283. This year republican Stratton led democratic Stolle, 408 to 251, and there were 308 straight republican ballots and only 153 straight democratic ballots.

The democrats of the district can feel pleased over a gain in Barrington precinct 1. Two years ago Hoover was given an edge of almost 3 to 1 in the first precinct but this year Stratton was only 2 to 1 ahead of Stolle. Barrington precinct 2 which was barely republican two years ago showed a 8 to 2 margin this year. In the primaries last spring, however, this precinct cast more democratic ballots than republican.

Following is the list of the straight ballots voted Tuesday.

| Dem. | Repub. |
|--------------|-----------|
| Barrington 1 | 126 239 |
| Barrington 2 | 66 102 |
| Barrington 3 | 85 238 |
| Palatine | 242 315 |
| Palatine 2 | 267 197 |
| Cuba | 198 532 |
| Ela | 183 308 |
| Total | 1171 1931 |
