Here's the DRUM-M of the motor car parade

one, you'll see the moment you try this sparkling Buick why it's called the out-in-front car of the year.

L H GREBE, Cary, III.

You'll go for the way it goes for you serene, steady, gallant as the figurehead on a buoyant ship-you're in for a thrill every time you put it into action.

You handle a wheel that turns as easy as the pages of a book. You press the treadle-and sink inches deep back in the soft cushions with the swoop of its take-off.

You click off miles by the score, the dred - and no matter how far you range or what gait you travel, you can't get a whine out of that softly whispering engine!

The answer is you've got a that was born to go places the way nt to go smoother, safer, than any car you've

> VEST BUICK PRICES EVER! As mday's prices, a big Buick valve-in-head straight citig costs little more than the

earth with enough bulk to hold it there.

Its maneuverability is the quick mobility of a charger.

Yet the crowning touch of its creators was none of these but the figures they succeeded in writing on its price tag. The hard-to-realize fact is that this great straight eight can be bought for less than e of today's sixes!

There's just one way to get the true picture of Buick's standout value, and that's to drive it yourself. See us soon and get your order in, and you'll enjoy a summer like you've dreamed of!
