The Barrington high school Broncho football team opened its 1937 season with a contest played with Niles Center at that town Friday afternoon and after 60 minutes of pouring rain, emerged in a scoreless tie, 0-0.

As far as a football game was concerned, the heavy downpour of rain that began before game time and continued throughout put a definite damper on any attempts to start real scoring threats.

Two Thrusts at Goal
 The locals had two opportunities to score, once in the second quarter when the ball was lost on Niles Center's 13 yard line following a hard tackle, the pigskin popping free when the players collided. At the close of the third quarter the Bronchos moved into scoring position when Shepard recovered a fumbled punt and Mountain went 15 yards on a forward pass.

Two more passes were unsuccessful and the third clicked, from Church to Rice for eight yards and Shepard made it a first down on the nine-yard line. The quarter ended with the ball on the five yard line where it was lost on downs.

Play was continued for the duration of the quarter in Niles Center territory and at the closing gun, the opponents' had possession of the ball on their own 10 yard line and fourth down.

Bronchos Gain Ground
 Despite the sloppy going, the Bronchos dominated the play in all departments. The line was able at times to make effective holes for long gains and the passing department, notwithstanding a wet ball, was very good, five tosses out of nine connecting.

A summary of the day's statistics shows that Barrington made 145 yards from line play, and five passes completed, were good for 92 yards. Church punted three times for an average of 40 yards.

and Clinge booted the pigskin once for 50 yards.
 Barrington also intercepted one pass and fumbled once, recovering two of Niles Center's fumbles.
 Niles Center booted the ball five times for a total of 195 yards and tried four passes, completing one from rushing piled up 77 yards.

There was only one penalty throughout the game, one for five yards on Niles Center.

Lightweights Lose
 The local lightweight team met the eleven from Libertyville on the gridiron at Northdale Park Monday evening and came out of the fray of one-sided scoring, 20 to 7.

The eleven of Libertyville made the first score in the first quarter and converted the extra point on a pass.

Long Went Scores
 Long went into the game for Barrington in the second quarter and made the only BHS score when he raced 83 yards from Barrington's 17-yard line around right end for a touchdown. A clipping penalty was called on Libertyville during the play but was rejected by Saul, who captained the local lightweight eleven.

Score After Penalty
 Libertyville came back in the third quarter to make the score 13 to 7 on a sweeping right end run. The ball was put into scoring position by a penalty on Barrington for tackling a Libertyville player signaling for a fair catch.

The final score was added in the closing minutes of a fourth quarter on a series of line plunges by Libertyville.

Miller Hardware Has Dri-Gas Stove Featured in Drive
 "Put a modern Dri-Gas Range in your home this fall," is the motto of Miller Bros. Hardware, local Dri-Gas dealers. And they back up their urge with an allowance of \$25 for any old outmoded stove toward the purchase of a new "President" model Roper Dri-Gas range—the featured unit during this big sale now under way.

The "President" is a smart new Roper range built for use with Dri-Gas. It offers housewives of rural homes or other homes beyond the gas mains, all the conveniences of city gas.
 This special sale of ranges is one of the biggest ever conducted by Miller Bros. They expect to "round up" many old stoves as a result of this extraordinary offer which closes October 31. Miller Bros. service Dri-Gas systems throughout all surrounding rural districts. They are conducting this special sale in order to make it easier for customers to enjoy the conveniences of modern cooking.

Boy Scout Day at Northwestern U. Saturday, Oct. 2
 The annual Boy Scout Day at Dyche stadium in Evanston when the scouts will be the guests of the Northwestern university at a football game will be held Saturday afternoon, Oct. 2.
 On that date, the Northwestern Wildcats will play Iowa State and several thousand boy scouts will be on hand to witness this game. Every registered scout, cub scout and cubber is invited to attend! All troops and packs should plan to attend as a unit under their own adult leadership.
 On account of the paving work being done near the stadium it is recommended that all plan to be there by 12:30 o'clock. Entrance will be made at gate No. 1 on Central Avenue. Being so close to Evanston it is expected that a large number from the Northwest Suburban council will attend this football game.
