

Bronchos Lose Season's Second Straight Football Game to Grant, 19-6

Lead 6-0 in First Half; Opponents Tally Three Times

Locals Outcharged in Second Half; Game Close Despite Final Score

Conference Scores
Libertyville 14, Leyden 6.
Niles Center 18, Lake Forest 48.

Charging back in the second half to score 19 points, the Grant Community high school football team at Fox Lake handed the Barrington high school Bronchos their second straight defeat of this season at the local's field in Northside park Saturday. The final score was 19 to 6.

Led by Dufault, husky 187 lb. fullback, the Grantmen staged a running attack which was too much for the Bronchos defense during the second half.

Bronchos Score in 2nd

The Bronchos' lone score was preceded by a costly fumble by Grant on its own 30-yard line. Dufault fumbled and the ball was recovered by Hodgdon, Barrington left guard. The locals then moved to the Grant 15-yard line on two plays and then Shepard went over standing up on a right end run. Church's try for the extra point by place kick was wide.

Aerial plays by both teams kept the game wide open during the first half with the Bronchos tossing seven and a straight defeat of one while Grant completed two out of five attempts. Church and Shepard did the hurting for the Bronchos while Dufault and Howard were on the sending end for Grant.

Grant Starts March

Grant received the kick-off in the start of the second half and went straight down to the extra point a series of running plays. Dufault scored from the 8-yard line when an open hole was made through the center of the line. He attempted to place kick for the extra point but missed.

Late in the quarter Grant attempted a field goal but it was blocked by Mountain, in a defensive left tackle, who recovered it and made a gain of seven yards before he was thrown.

Although Clings went for 37 yards on three successive plays, Barrington failed to get in a scoring position and the third period ended with the ball on the local's 20-yard marker.

Score Twice

Grant opened up the fourth quarter by marching down to the Barrington 8-yard line again where this time Howard went across standing up on a wide right end sweep. Dufault again failed to kick the extra point. The score was then 12 to 6.

Grant kicked to Barrington who failed to gain and on an attempted punt, Jaques, Grant left end, broke through and blocked

Church's kick, recovering it on the 8-yard line and Grant scored the last marker. Dufault played over for the extra point, making the total and final, 19 to 6.

In comparing statistics, Grant held a small margin compared to the difference in scoring. They made seven first downs to Barrington's six and went 151 yards from scrimmage while the locals picked up 127. The Bronchos were taxed with six penalties for a total of 45 yards and Grant four times for a total of 40 yards. Saturday's lineup:

Barrington 6—Grant, 19—
Grabenkort L E Jaques
Mountain LT Velisek
Hodgdon LG Smith
Thackery C Brandstetter
K. Kampert RG Hollenback
Speck RT Anderson
Rice RE Barleigh
Johnson QB Ambecker
Church RH Howard
Clings LH
Shepard FB Dufault

Substitutions—Barrington: B. Wendt for Grabenkort, V. Wilkins for Rice, Plage for Speck, W. Wendt for Thackery, Pohlman for K. Kampert, G. Kampert for Hodgdon, C. Kampert for Mountain.
Grant: Bartlett for Anderson, Renehan for Ambecker, Anderson for Bartlett, Lowell for Jaques, Sherwood for Smith, Bartlett for Sherwood, Jaques for Lowell, Klein for Anderson, Lowell for Dufault.

Officials—W. Wright, Chicago, and C. Brown, Chicago. Head linesmen, R. LaPolite.

Arlington Heights Here Saturday in Gridiron Classic

Locals Rated as Underdogs in Annual Football Grudge Battle at Park

A war that has proved unfruitful as far as Barrington high school has been concerned in the last six years will be resumed Saturday afternoon when the strong Arlington Heights high school football team invades Northside park for the annual "game of the century."

Since the Northwest conference began pitting the two schools against each other in 1917, it has been a point of great satisfaction to either school to score a victory. And, in passing, it might be well to state that Barrington hasn't done the trick since 1919 when Wayne Grabenkort place kicked for a Broncho 15 to 14 win. In fact, that was the last time the locals were able to register a tally of any kind on the gridiron against Arlington. Barrington has won two games, Arlington six and two were scoreless ties.

This year, as always, Arlington has a strong aggregation. The team is tied for first place in the conference standing with Liberty-

ville. Both teams have two wins and no defeats.
The Cardinals did not play last Saturday and as a consequence had a long season of practice days. The Cardinals are a well-balanced, fighting outfit and the odds are greatly in their favor. Grant was the victim of a 16 to 14 contest two weeks ago, and based on Saturday's game, Barrington will definitely be rated as the underdog.

Following is a summary of the games played, the years and results:

Year	Barr.	Arl.
1927	27	0
1928	0	0
1929	0	32
1930	15	14
1931	0	0
1932	0	7
1933	0	33
1934	0	25
1935	13	13
1936	0	6

Total Points..... 42 130

Niles Gridman Has Leg Fractured in Lake Forest Game

Robert Hoffman, 18 years old, junior classman and left tackle on the Niles Center football team, suffered a compound fracture of his right leg when he was given a hard block by a Lake Forest high school player during the game played at Farwell field in Lake Forest Friday afternoon.

He was taken to the Alice Home hospital where it was learned the right hand received a severe break just below the knee.
Niles lost the football game to Lake Forest by a score of 43 to 13.

Drop Football Contest

The Barrington high school Frosh-Soph football team traveled to Arlington Heights last Wednesday and lost a grid match by a score of 12 to 0. Arlington scored once in the third quarter and again in the fourth, one from an intercepted pass.

Life of Flies
Most flies die in winter. Experiments conducted by the United States Department of Agriculture showed that flies kept in unheated buildings died during the first really cold nights of the winter. Those kept in one of the greenhouses behaved just as they would during the summer at similar temperatures. At temperatures of 65 degrees to 75 degrees Fahrenheit very few lived longer than 35 to 40 days. In one of the large stables with a temperature ranging from 33 degrees to 60 degrees Fahrenheit some flies were kept alive for a period of 70 days, a long period, but not sufficient to carry them through winter.
