Burglarize Two Local Residences Friday Afternoon

Take Silverware and Jewelry From de Tarnowsky and A. Ketel Homes

Striking twice in one afternoon, two burglars looted the residences of Albert Ketel, 443 N. Cook street, and Alexis de Tarnowsky, 609 E. Main street, Friday, and escaped with loot valued at more than \$500 dollars.

Entrance was gained into the Ketel home by forcing a window. The house was searched by the culprits and jewelry, money and small items valued at approximately \$100 taken. Chief among the loot taken was a pendant of intrinsic value, worn by Mrs. Ketel when she was married, and again by her daughter at her marriage this summer.

A door lock was forced at the de Tarnowsky home and there silverware of great personal value was taken. The monetary value was close to \$400. The pieces, 31 in number, were part of a set given Mrs. de Tarnowsky as a present, and to which other items had been added each year. The burglars left part of the silver. All was gone from one drawer and part from another. A knife, lying on the floor, indicated the culprits might have been interrupted in their looting and forced to leave in haste.

As in the Ketel home, nothing was taken that might prove too bulky to move or difficult to dispose of.

Mrs. George Whitcomb, who resides at 439 N. Cook street, reported having seen two men loitering in the vicinity of the Ketel home Friday afternoon, and it was also reported two men were again seen on North Cook street Monday.
