### Candidate Speaks at Cuba Township Party at Biltmore

Pleading that the Lake county bar association has endorsed him for the office of circuit judge and that his many years of experience as a lawyer qualify him for the position, William Pierce of Delvidere submitted his candidacy to about 400 guests at a party at Biltmore given by the Cuba township republican club Saturday night.

Mr. Pierce is the republican candidate to fill the office left vacant by the death of Judge Shurtliff. He was introduced by the Lake county republican chairman, Benjamin Miller who was present by H. D. Kelsey, Cuba supervisor. The Cuba club entertained its guests with an enjoyable dance and card games. Refreshments were served.

At "Homecoming" Mrs. W. D. Deltzer, 643 Division street, has returned from Meadville, Pa., where she spent several days last week with her son and daughter and attended homecoming at Allegheny college.

### Will Deliver Talk on Criminology at St. Anne's Monday

The noted chaplain of Joliet penitentiaries, Rev. Fr. Eligius Weir, O.F.M., while a guest of Rev. Fr. P. J. Hayes next Monday night, will lecture in St. Anne school auditorium at eight o'clock. The

FR. ELIGIUS WEIR

topic "Crime, Its Cause and Prevention" should prove most interesting and instructive. His many years of successful work in penal institutions, particularly in Joliet, together with his serious preparation for this work, and his extensive study of "Criminology" qualify this zealous Franciscan priest to speak with authority on this ever current problem.

His engaging, forceful and humorous disposition which serves him so well in cheering and encouraging unfortunates also lends to his oratory. The members and pastor of St. Anne desire to share the privilege and benefits of this lecture with residents of Barrington and neighboring communities and have extended a welcome to be their guests at St. Anne, Franklin and Elm streets, Monday, Nov. 10, at eight o'clock.

### Week-End Scouting Courses at Camps

On next Saturday and Sunday, Oct. 30 and 31, the Northwest Suburban council of Boy Scouts of America, in cooperation with north shore area (Highland Park), Evanston, Oak Park and West Suburban (LaGrange) councils, will conduct two week-end training courses at Camp Doddridge, near Libertyville, for cubbing and one at Camp Evanbosco, the overnight camp of the Evanston council located at Deer Grove just east of Barrington, for scouts and cubbers.

In the scouting course at Camp Evanbosco three training courses are offered which will provide opportunity for all leaders to participate in something of benefit to them.

The course "Elements of Scout Leadership, Part I," will be for the newer men and is the first course necessary for those interested in obtaining the scoutmasters key award or the scouters training award.

The course "Principles of Scout Leadership" is for those who have completed the former course and is also a requirement of the five year training program.

A specialization course particularly for veteran scouters will give the men who have had experience in leadership an opportunity to get together for discussion on the general subject "Troop Problems and Motivation."

At Camp Doddridge a complete course in cubbing will be presented for all active cubbers and those who are interested in learning about cubbing.

### Escapes Death As Car Is Wrecked

Continued from page 1  
Including running board and doors were ripped completely from the body, the top was crushed in and the motor torn off its mounting. The interior was greatly damaged, seats being torn loose by the impact. A narrow space, hardly big enough for one man, and fortunately right behind the steering wheel, was the only clear place in the interior.

Protected by the steering wheel and seated in the narrow space, Monaghan escaped serious injury and was able to climb out of the wreckage. He was brought to Barrington for medical treatment by E. F. Bond, residing in Cuba township, who reached the scene soon after.

Monaghan was treated for cuts and bruises about the face and then taken to the Sherman hospital in Elgin for examination for possible fractures. He was able to leave the institution Tuesday.

The car was reduced to a complete wreck by the crash which snapped the pole in two.
