**MILLER BROS. FUN FACTS**

NO. 48 Barrington, Ill., Thursday, Nov. 11, 1937 VOL. 43

We are interested in most any kind of a counter. But we have our opinion of anybody who tries to get an eating or drinking record.

Pleasant season is now open so be sure to get your share of the birds with Remington Shere Shot and Nitro Express shotgun shells.

Not very many of our acquaintances ever made any money outside of their own business. And it's a mighty struggle to make your own business pay, too.

Clip your cows with a Stewart Clip-master. We have them for sale here.

Here lies the body of Benjamin Hubbs who died of the curb without looking first.

For even heat throughout the winter: this can be accomplished with a Maltivane even heat oil burner.

We have an idea that doctors are abused on credit accounts about as much as any other profession.

Need a good second hand stove? We have gasoline, kerosene, coal and gas ranges.

We know a man who smokes a pipe continually. We wonder when he eats and how.

How about a rubber tired wheelbarrow for that heavy work? Saves time and steps.

"Pa, what's a collision?"  
"It's what usually happens when Ma drives the car."

Come in and get a "Handy Soldering Kit"—Low in price, high in quality.

Only WILSON & CO. makes Tender Made Ham

**There's real economy in WILSON'S SECRET PROCESS Tender Made Ham**

"THE HAM YOU CUT WITH A FORK"

**BECAUSE:**  
the butts and shanks are more tender and delicious than the center cuts of most hams due to the exclusive Wilson Secret Process which retains all the natural juices.

**TASTY WAYS TO SERVE Tender Made Ham**

**SHANK AND BUTT ENDS**  
In the hot place, add shank or butt end for sandwiches or cut into sandwiches without any seasoning.  
Shank may be fried with eggs for delicious "ham and egg" breakfast.  
They may be served, garnished with leaves, meat, served with cream and hard-boiled eggs.

*All Wilson's food products your table.*

**That BRAND NEW Appearance**

Barrels of rain-soft water—great quantities of mild sudsy soap—the latest scientific equipment—and individual attention give your shirts that snow-white and professionally ironed appearance.
